INSTRUCTIONS TO THE HEALTH CARE PROVIDER

This form must be executed by a physician or practitioner whose method of healing is recognized by the State.

Provide full, complete and legible answers to all questions. Several questions seek a response as to frequency and duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine coverage under the Family and Medical Leave Entitlements.

Limit your responses to the condition for which the employee is or will be absent from work. Do not provide information about genetic tests, as defined in 29 C.F.R. §1635.3(f), genetic services, as defined in 29 C.F.R. §1635.3(e), or the manifestation of disease or disorder in the employee's family members, 29 C.F.R. §1635.3(b).
