THE ANNUAL CONFERENCE OF THE HISTORY TEACHERS' ASSOCIATION OF AUSTRALIA

*Looking Back,
Looking Forward,
Looking Out*

30th Sep – 3rd Oct
Tuesday to Friday
2008

presented by
Queensland History Teachers'
Association

CONFERENCE DETAILS

THEME

The theme of this conference is *Looking Back, Looking Forward, Looking Out* and, throughout the Conference, speakers and workshop facilitators will be focusing on the need to ensure that our view of the past is grounded in proper student inquiries into a wide range of issues, and that these inquiries influence how future generations move forward towards a more tolerant society, a society which is outward looking as well. With the increasing focus on Australian History, these are exciting and challenging times for teachers and we are increasingly being presented with new challenges, which must also engage fully with developing technologies. The choice of the Roman god, Janus, as the symbol of this conference highlights the diversity of the challenges we will meet.

FORMAT

The Conference will consist of key note speakers and workshops over three days, followed by a day of excursions in the Gold Coast area. The conference dinner will be a break from tradition and will be at an exciting Gold Coast entertainment venue.

THE VENUE

The 2008 National Conference will be held at John Paul College at Daisy Hill, in Logan City, between Brisbane City and the Gold Coast. The Conference proceedings will be held in the new Gorman Centre, pictured above. This is a state of the art education centre, with a large theatre (pictured below), sophisticated IT facilities in every room with extensive display areas on three levels centred around a central atrium. The venue is also wheelchair friendly.

ACCOMMODATION

There is a range of accommodation within walking distance of the College. Participants, alternatively, might like to combine the conference with a holiday on the **Gold Coast** or in **Brisbane**. The venue is only 30 minutes from the Gold Coast, 20 minutes from theme parks, such as Dreamworld, Movieworld and Wet'n'Wild, and 20 minutes from the Brisbane CBD.

Main Beach

Why not bring the family and have a holiday on the Gold Coast? Excursions on Day 4 of the Conference will give participants the opportunity to explore the Gold Coast hinterland and surrounding areas, such as the wineries and pottery centres at Mt Tamborine.

Discount rates have been arranged with the Hotel Gloria, a new 4 star hotel at Logan, close to John Paul College

Please contact Kay Bishop, the Conference Con-
venor, for further information about or assist-
ance with accomodation venues and transport.
