Some important Ashram and Course Practicalities:

- This is not an attendance course; you will need to demonstrate competence to be certified as one of our Yoga teachers. If you do not pass you will receive a 1 year foundation certificate.
- You must attend all the specified dates – if you are unable due to unforeseen circumstances you will need to make up the hours with us asap in week days to keep up the practice routine (this may incur extra fees).

- We will provide most of the food during your stay – cooking is shared.
- We will provide shared accommodation; you will need to bring bedding/sleeping bag and a towel.
- You will need to complete all the homework by the end of the course and in a timely manner. Please return completed homework in a typed format.
- Please make efforts to take part in all the aspects / sessions of yoga including hatha yoga, pranayama yoga, bhakti/bhajan singing, mantras, karma yoga (community work) and satsang / discussion.
- We do reserve the right to make changes to the course depending on the groups abilities – it would still result in a teacher certificate for competent students.
- Ensure you have read all of our terms and conditions which can be found on our website.

I agree to adhere to all of the above to the best of my ability for the duration of the course:
