Testimonial

"If you've ever thought about running a half or full marathon, the YMCA marathon training class provides an **excellent** opportunity to hone your running skills. At the same time, you'll meet new running friends and, together, you'll help each other make it across the finish line. I was amazed at the progress I made during those weeks of training. With the inspiration and instruction provided by Ann Ringlein as facilitator, the class speakers, and your fellow runners, you'll find you **want** to push yourself—and you'll have fun along the way. Taking this class gave me the tools to finish my first marathon and I'll be forever grateful. Challenge yourself—you'll be glad you did!" —Michael Brand
