TRIPLE PLAY FOR CHILDREN'S

Baseball Hall of Fame pitcher, John Smoltz and Children's Healthcare of Atlanta are teaming up for the 24th annual John Smoltz Braves Celebrity-Am. This two-day event provides a memorable opportunity to play golf and socialize with Atlanta Braves alumni, former professional athletes from the MLB, NBA, NFL and NHL, and local celebrities—all for the benefit of patients of the Aflac Cancer and Blood Disorders Center of Children's Healthcare of Atlanta.

The festivities begin Sunday, Aug. 14, with the Dugout Level Sponsor Challenge at St. Marlo Country Club. Each foursome will compete to determine the selection order for the Draw Party to see which celebrity you will play with Monday, Aug. 15.

Later that evening, the Sports Auction and Draw Party will take place at the City Club of Buckhead. There you can bid on a variety of impressive sports memorabilia and other items in our live and silent auctions.

The festivities culminate in the John Smoltz Braves Celebrity-Am Monday, Aug. 15. You will be teeing it up for children at three highly acclaimed private courses—Atlanta National Golf Club, Hawks Ridge Golf Club and White Columns Country Club. You and your guests will play a round of golf with a celebrity at one of these great courses.

Past participants include Tim Hudson, Chipper Jones, Greg Maddux, Tom Glavine, John Schuerholz, Phil Niekro, Al Del Greco, Randy Cross, Steve Bartkowski, Julius Erving and Kevin Butler. We look forward to having you join us for this year's events.

THE PITCH

Proceeds from the John Smoltz Braves Celebrity-Am benefit the Aflac Cancer Center. Thanks to the devotion and ongoing efforts of Smoltz and the corporate community, many children with cancer and blood disorders are helped through your support of this tournament. To date, the event has raised more than \$2.5 million for the Aflac Cancer Center.

The Aflac Cancer Center is a national leader among childhood cancer, hematology, and blood and marrow transplant programs, serving infants to young adults. Recognized as one of the top childhood cancer centers in the country by *U.S. News & World Report*, the Aflac Cancer Center treats more than 370 new cancer patients each year and follows more than 2,700 patients with sickle cell disease, hemophilia and other blood disorders. Visit aflaccancercenter.org for more information.
