Who can apply for a Medical Card?

Anyone who is ordinarily resident in Ireland can apply for a Medical Card, families, single people, even those working full or part-time. Ordinarily resident means that you have been living here for at least one year or you intend to live here for at least one year.

Who should fill in this form?

This form should only be used by people aged 70 years of age or older applying for a medical card.

What section of this form do I have to fill in?

The application form is divided into six Parts, you should fill in all of the parts that apply to you, and have your Doctor of choice complete Part 6.

How do I qualify for a Medical Card?

If you are aged 70 years or over and your gross income is below €700 a week (for a single person), or below €1,400 a week (for a couple), you are entitled to a Medical Card.

What do you mean by 'Gross Income'?

Gross income is any income you receive, e.g.: Pensions (social welfare, occupational or private), Employment – fulltime/part time, self employment, directorship, Investments or savings, Rental income on properties. In essence, gross income is income before tax or other deductions.

In regard to rental income, this is the rent received, less necessary expenditure associated with the rental of a property.

What do I need to include with my application form?

To support your application, you must provide the HSE with photocopies of documentary evidence of the information you provide to us:

- PPS Number (e.g. P60, P45, payslip, copy of social welfare book)
- Total Household Income (e.g. Payslip, social welfare book, notice of assessment)
- If you are claiming under E.U. regulations, please enclose the relevant E Form for the other European State.

What about someone who is under 70 now and married to someone over 70?

If one member of a couple is aged 70 or over, they will both qualify for a Medical Card if their combined income does not exceed €1,400 a week. The Medical Card will cover the dependants of a person aged 70 and over, i.e. spouse (U/70 or O/70) and child dependants.

What if my income is above the income limits?

If your income is in excess of the single €700 gross income limits or the couple €1,400 gross income limits, you are not entitled to an over 70 Medical Card. However, if you have high medical expenses, you can have your income and outgoings assessed under the general Medical Card scheme, where all your circumstances will be considered in order to determine if you have entitlement to a Medical Card or GP Visit Card.

If you know that your gross income is above the income limits and you wish to apply for a general Medical Card if your health circumstances cause you undue financial hardship, you should fill out a full application form (Form MC1).

If you need advice or assistance please contact your local health office or call the HSE Infoline: Callsave 1850 24 1850.

A Family Doctor or GP must sign Part 6 of this form, agreeing to provide medical services to you and your dependant/s. Contact your selected local GP's surgery and ask the doctor to sign your application form. A list of GP's is available from your Local Health Office.

I have moved house, do I need to apply for a new card?
