

# Certified Parts Wholesale Dealer Business Plan

TRIPLE J FORD

**Dealership Name** 

SEPT 17, 2010

Date

### **BUSINESS PLAN OBJECTIVE**

Your Business Plan should address the needs of the entire wholesale business channel with particular emphasis on the segment(s) in which your dealership will specialize. Fleets, Installers, Powertrain Specialists, and Collision Shops have been identified as wholesale segments that offer dealers the greatest wholesale growth opportunity.

Your annual business plan should address primary marketing and sales issues, including:

- Supporting the business growth and customer satisfaction goals of all segments
- Delivery Plans, including "hotshot" expedited service and prompt Will Call support
- Each client will have a knowledgeable Sales Representative with defined contact schedules
- Parts return policies and procedures, including service part warranty policies and control

### I. WHOLESALE CUSTOMER SERVICE AND SUPPORT

A high level of service to wholesale customers needs to be a primary focus. In order to improve customer satisfaction, maintaining and improving service to your customer should be an ongoing work in process, always moving toward improvement. To get started:

- Describe your plans to continue to meet and improve your service level to installers:
- We have hired one person who handle parts wholesale business, he has great experienced selling parts to Gov't, Military such as DZSP21/GS21, he already passed the requirements and he is now a Certified on Parts Wholesale Dealer Program.
- Which of your customers represent the greatest opportunity for parts growth

Trade, Fleet, Military, Collision shops, independent garages, Neighbor Islands.

Outline your plans to assist the business growth plans of your wholesale customers

Better pricing ,support from Ford , order parts on concession request pricing, better supply, parts availability of Motorcraft products, be competitive with aftermarket like Napa, Diamond Auto Parts , AC Delco, Etc.

 Outline your plans to support your wholesale customer's goals of increasing the use of Genuine Ford and Motorcraft parts

Better pricing from Ford, minimized delayed shipment from Ford, Make all Motorcraft products available when order placed.

 Outline your plans to help your wholesale customers improve their customer satisfaction performance

Door to door delivery, offer warranty on parts, pricing must be competitive.

#### II. DETERMINE TARGET MARKET AREAS

# **Market Segment Definitions**

- Installer Non-franchised dealer vehicle service repair facility. Can be an independent or a chain of repair facilities.
- Jobber A wholesaler who operates on a small scale or who sells only to retailers and institutions.
- Fleet An organization with three or more vehicles operated under unified control. Fleets may operate their own vehicle service facilities or choose to service their vehicles at a dealership or independent repair facility.
- Government Vehicles operated by the governing authority of a country, province, state, territory, region, municipality, etc. Governments may operate their own vehicle service facilities or choose to service their vehicles at a dealership or independent repair facility.
- Body Shop/Collision Vehicle repair facilities that specialize in collision repairs.

# **Identify Market Segments (Current Wholesale % Mix)**

	Primary	Secondary
1. Installer/Jobber	10 %	
2. Fleet/Government	30 %	
3. Powertrain Specialist	10 %	
4. Body/Collision Shop	50%	

Primary market represents 50% or above of existing wholesale sales. (Utilize year-end sales history reports, e.g., an accounts receivable aging analysis report).

 Describe which target customers (e.g., Installers, Jobber, Fleets, Government, Collision Repair, etc.) you will pursue and which geographic market areas you will target for each type of wholesale customer

DZSP21, GTA,

- GWA,GS21,GFD,GMH,GAIA,MC DONALD,FEDEX,DHL.GPD, INDEPENDENT GARAGES,DPW,G4S.COLLISION BODY REPAIR SHOPS.TOUR BUS COMPANIES.RENTAL VEHICLES.
- Identify all fleet and government accounts that might perform their own maintenance

DPW.GTA.GPD.GS21.DZSP21.

- What other wholesale segments could be successfully targeted; industrial, export and other franchises?
- Export to neighbor Island, Majuro, Palau, Phonpei, Kosrae.

### III. DETERMINE MARKET CONDITIONS AND DYNAMICS

What are the driving forces in your market (e.g., price, availability, efficiency, loyalty, incentives)?

 Efficiency, Speedy delivery.

 Unique selling proposition – how do you plan on competing (e.g., compete on price, promote breadth of inventory, offer "hotshot" expedited parts delivery, etc.)?

Pricing, delivery and availability.

Why will wholesale customers buy from you rather than the competition?

Delivery period, quality of Motorcraft products, pricing and warranty.

Identify the competitive brands sold into the market with Ford and Lincoln Mercury OEM application
 AC Delco, GM, Napa. Diamond, Chief Auto.

Identify current discount structure of competitor selling Ford-branded application lines
 For collision body shops giving them US suggested retail pricing, others has fleet discounts as well.

Identify competitor unique selling programs (e.g., contracts, bid requirements, etc.)

Advertising, delivery van, door to door selling, support advertising materials, AC Delco Auto.

# IV. DETERMINE THE CAPITAL REQUIREMENTS NEEDED FOR PARTS WHOLESALING

What initial and ongoing investment is required for parts wholesaling?

Dedicated delivery person, storage place, manufacture buy back program. We can target all collision shop here in Guam if Ford guarantee buy back.

What are the capital requirements necessary to increase the account base, credit approvals, etc.?

Increase credit amount.

 Does your dealership have the necessary capital to support updated computer hardware & software (if needed) to meet dealership, customer, and future wholesale needs?

Yes but need more space though.

 Does your dealership have the necessary capital to support the growth in accounts receivable as the parts wholesale business grows?

Yes

•	Describe dealership parts wholesale credit policy. How will the dealership handle bad debt associated with parts wholesale accounts?
	By credit application to be approved by our CFO or VP, 30 days term.
