## Calling all Presenters!

The See How They Grow committee is requesting presentations for the **April 8, 2006**, conference. We are looking for fresh, new ideas to share with colleagues. Consider presenting on a topic of your expertise. All early childhood professionals are welcome — child care center directors and administrators, in-home child care providers, school-based center personnel — anyone working for the advancement of early childhood practices. Become a part of this dynamic resource for area child care educators. We all benefit from sharing our insights and resources.

For their inspired dedication to the field, conference registration and lunch are complimentary for all presenters. We couldn't do this without you!

**Sign up to present today! Deadline December 9, 2005**
