

Emerging Scholars Nomination Information

Emerging Scholars (ES) is a non-profit organization that provides a FREE 14-month academic and leadership program for bright and talented 4th grade students from underserved communities.

Please fill out the attached **Nomination Form** for a current 4th grade student you would like to nominate to Emerging Scholars. Each nominated student's caregiver will be contacted with further information on how to apply to the program.

Students and Families Who Are Eligibility For Nomination:

- Students who are currently in the 4th grade and reside the Washington DC Metropolitan area.
- Students who currently demonstrate academic and leadership potential.

Emerging Scholars Identify Students Who Match the following criteria:

- **Motivation:** Students must be hard-working and willing to put in the extra effort it takes to succeed at ES and at their placement schools. Additionally, students must be eager to learn and enjoy being challenged.
- **Access:** The goal of the program is to provide students with access to educational opportunities to which they might not otherwise be exposed to and whose families required financial assistance for their child to attend college-prep independent schools. The program is not designed for students and families who have their own means of accessing these opportunities.
- **Family Support:** ES is a family commitment and requires active and involved parents or guardians. Best matched families are willing to make sacrifices for their children's education and who will be able to support them throughout the 14-month component as well as at their placement school.
