HAPPY NEW YEAR - 2016

Jan. 1 New Year's Day

Jan. 18 Martin Luther King, Jr. Day

From the Commodore

There is a tide in the affairs of men, which taken at the flood, leads on to fortune. Omitted, all the voyage of their life is bound in shallows and in miseries. On such a full sea are we now afloat. And we must take the current when it serves, or lose our ventures.

– William Shakespeare

I did not seek to be Commodore, but I am honored to serve and look forward to being introduced to many more of you than I know now. There is work to do to right our ship and I cannot do it on my own. Fortunately we are blessed with an experienced and motivated board whose names are listed alongside my column. Please welcome the new Board of Governors.

In a normal year, the Vice-Commodore could have participated in two influential committees; the elections committee and the long-range planning committee. Through these channels he would have influenced the make-up of the board and its chief policy guidelines for his year as Commodore. This has not happened in 2015. It is appropriate to fill the gap by listing some goals and guidelines. The details will evolve as the year progresses, but here is my vision for the club:

- Different sailing and social activities all contribute to a harmonious yet varied experience of sailing and good fellowship.
- The BOG will be seen to execute the wishes of the membership.
- No member will be isolated from the WVSC governance, or unable to express their views effectively.

Members have to contribute to achieving this vision. It's about communication. If we don't address concerns to a responsible officer, matters will not get resolved. On the other hand the board is here to listen. If members decide the club should only be open to owners of rubber boats, the board has an obligation to consider it and take a vote.

The board is not here to resolve differences of opinion between members, but we do insist all members display conduct creditable to the club. Where any issues arise we will be sure to address them on the basis of facts, not personalities or hearsay.

Loyalty requires we keep dirty laundry within the family. Deliberately maligning the reputation of the club is a specific and defined violation of our Rules and Regulations. But let it be understood, interfering with other people's boats is potentially criminal activity and any direct evidence of this or anything similar will be turned over to the authorities.

We will continue to promote the four key pillars of the club's success: Sailing Activities, Social Functions, Racing, and Sail-Training & Education. Also to take care of our facilities and the environment of the site we occupy. With the energetic support of a talented board I believe we can restore the club to a position of high esteem and the fullest enjoyment of sailing.

Women's Fair Volunteers Needed

Share the Fun! Help invite others to join our Club, or just learn to sail, by participating in the "Women's Fair." It's not just for women! All members are invited to help plan our booth for the fair that will have a "WOW!" factor. We want people of all ages (children, youth, adult) to share their ideas, visual attention-getters, and/or help with set-up/tear-down and greeting visitors at the booth. There's a role for you! The Women's Fair is at Wichita's Century II, February 19-21, 2016.

Please contact **Cheryl Wertheimer** anytime: wertheimerc@att.net

1998 HUNTER 260 Runs good! Bought from Ed Webb in 1998 for 30K. Spent a few years at WVSC, then a few at Alameda, then 4 years at Elephant Butte Reservoir. My various adult children had the boat for all those years, now its back in my hands and I don't have any use for it. I also don't know anything about it, except to say that everything works well or else has been fixed. Comes with all the usual extras such as life jackets, cookware, tools, even a sextant. Parked in spot 105 at WVSC. No reasonable offer refused. Please call or text Ken Gebhart at 316-737-8765, or email gebhart@celestaire.com

1980 O'DAY 23' SAILBOAT

The boat is a centerboard model with the standard rig 1980 O'Day 23-2. The boat has custom cruiser/racer full cut sails made by Hild Sails in 1996. Up front is a 150% genoa that can be reefed to 100% on a Hood Yacht Systems roller furler. The main sail has standard battens and one set of reef points. All lines have been run aft to the cockpit so that one person can easily handle the boat. The boat can also go almost anywhere due to the shallow draft (2.26' with the centerboard up). The cockpit features custom Marine closed cell foam cushions made by JSI, a compass, and Autohelm ST30 Bitdata instrumentation (which I was told worked but never messed with). The boat also comes with an electric start 9.9 Johnson Sailmaster outboard motor. The motor starts and runs great. All of the fuel lines were replaced last fall and the carburetor and fuel pump were rebuilt (both with OEM kits). After having this motor I don't know if I'll ever be able to go back to a pull start. The electrical system is also in working order featuring a marine deep cycle battery, trickle charger, working lights, radio and speakers. (The bilge was working when I purchased the boat but was acting up when I checked it the second time so a new one was purchased and hasn't been installed yet). The cabin interior is in good shape with all of the original cushions, a nice dinette table and one piece carpet (which prevents slipping). It sits on a freshly restored tandem axle trailer (professionally sandblasted, painted, all new wiring, lights, bearings, races and seals replaced. The only thing I haven't done yet to prepare it for a long haul is replace the tires). The boat also comes with lots of extras: Set of hank-on original O'Day sails, and additional 150% genoa. Swim ladder. Multiple sets of hatch boards (originals, plexiglass, and new unused teak). Set of new hatch runner boards (never installed) I wish I could keep it but I am moving to Santa Ana for work and between the cost of living increase and how expensive it will be to keep it there I need to sell it. All reasonable offers will be considered. Please email me at benhofferber@yahoo.com or call/text me after 4PM at 251-508-0156.

1979 CATALINA 27 The Catalina 27 features a spacious interior with 6' headroom. A forward state-room contains a v-berth and locker, there is a separate head compartment, a dinette, settee berth and galley in the main salon. The dinette collapses to convert to an aft berth as well. It has cushions for the dinette. The cockpit area is large with storage seating, 9.9 outboard motor. Two main 150 sails, two jibs, one spinnaker, and a rolling furler CID, all in great shape. Covers on all sails. Heavy duty transport trailer. Extras: Microwave, Grill, AM, FM, CD radio and a GPS. \$7,500. Please call 316-239-1472 or email amkostelecky@yahoo.com

COLUMBIA 26 MARK II, 1969

Fixed keel 4'4", 2 main sails, Jib, and genoa, 8'6" beam, nice interior and exterior cushions, 9.9 outboard motor, bottom paint 2 years old, nice boat, \$4,500. Call Tim Peppard 316-838-8214 or email tpeppard@pixius.netnks

CAPE DORY 19' TYPHOON WEEKENDER

Liebchen. New bottom paint & teak refinishing Spring 2011. Main, jib and 150 genoa (Nuclear Dacron—almost new.) Windex, Danforth anchor, porta potty, British seagull engine.
