I am taking my Holiday Show on the road. I will be out and about the week of _____ to bring all the latest new products for you to see by appointment.

I will have gifts in a limited price range, with me, and have more to offer on the enclosed sheet. If I don't have what you're looking for, with me, just ask and I will whip up the items for you in Holiday fashion.

I would like to call and make an appointment for 15 minutes, to have you take a look at all I have to offer. I will take your order at that time and it will be delivered, wrapped up, *free of charge*, and ready to go under your tree, in time for your gift giving.

It will work like this, we make an appointment, I show up and you take a look, hear Holiday music, be served a snack and you can shop hassle free from my vehicle. You don't have to get dressed up, or drive in the mad rush, or get pushed and shoved around to find out that what you want isn't available.

Shop early; avoid the hassle, no wrapping and *stress free*.

Who could ask for anything more???

Well, I have something more to offer. When I call, and you would like to have a HOLIDAY SHOW of your own, in your home you will win free product or a major discount on all you want for the holidays. Let me know!

I will be accepting ½ the price of the gift item plus tax at that time and I will deliver on set dates, your choice, in December and collect the other ½ at that time. I take Master Card, Visa, check or cash. Your preference or some of each is acceptable. We can even do a lay-away plan if that is what your need. I am flexible.

I will also have a large basket of Classic Items for sale at this time at a reduced price just in time for the holiday.

**Want to Make \$100s even \$1000s
during the Holiday Season? Try
this Great Idea...**

“12 Days of Christmas”

READ EVERY WORD!!!!!!

Want to help all those guys who don't know what to buy & haven't got a clue how to be romantic, and make lots of Holiday profits at the same time? Men usually hate shopping, but really want to please their wives. Help them out by offering baskets containing twelve (12!!!) separate gifts to be opened in the 12 days before Christmas. Any woman would be thrilled with this idea!!! Well, here is an idea that works! Two of our Working Moms sold over \$3,000 EACH in just a couple of hours phone time and put the baskets together when the kids were in bed! Memorize the following script, get excited, and start dialing that phone!!!

You may want to have your husband call, ask for her husband & say, "_____, this is _____, my wife has a great idea for you - that you will love, here talk to her."

Selling the "12 Days of Christmas"...to HIM!!

A Script for sure sales!

"Hi _____, this is _____ calling. I'm your (wife's/ girlfriend's) Mary Kay consultant and I have the most fantastic idea for you! Have you done your Christmas shopping for _____ yet?"

Well, I have an idea that would make your wife (or girlfriend if single) think you were the most romantic man on the face of this earth! It's called the '12 Days of Christmas.' A scrumptious gift basket of 12 individually and beautifully wrapped gifts. Each is numbered and tagged with a special phrase from the song, '12 Days of Christmas.'

Here's how it works. Give her one gift each day for 12 days. Begin either on December 14th or the 25th and give her gifts for 12 days after. Now to make this real romantic, put each gift in a special place - on her pillow, by her breakfast glass, or draw her bath and place on the tub - she'll go nuts!! You could also give her 1 an hr on Christmas Day - or make it a Scavenger Hunt - the gifts could be from the kids. She will love you for your thoughtfulness.

I can do the whole basket with all 12 gifts for just 299!" (Don't say dollars) "I take VISA/ MC, check or cash." (Then be quiet!!!!) Wait until he says something before you speak again or you will lose the sale. If he likes the idea, but didn't want to spend that much, then say ... "I can also do a really nice basket for 249, 199 or 159, which would you prefer?"

or

"Hi _____, this is _____. I'm your wife's Personal Skin Care Consultant. I'M SO EXCITED!!

I have THE most romantic gift idea for you to give your wife this Christmas. You are going to be her hero!! Can you talk with me now or would it be better to call your office?

"Your gift to her is called "The Twelve Days of Christmas". I will deliver a basket to you, no later than December 12 that will be filled with individually wrapped gifts - one for each day before Christmas! Each gift will have a tag saying. Every gift is something to make her feel like the special woman that she is. You will romance her by giving her a beautifully wrapped gift each day as a constant reminder of your love for her!! "

Can you imagine her reaction as she realizes she's going to get not one, but TWELVE gifts??!!! This collection of gifts includes gift-wrapping, free delivery to you, 100% satisfaction guarantee, and payment options:

MasterCard/ Visa/ Discover, personal checks, or cash. _____, all I need is your payment choice! I'll do the rest!!!

IMPORTANT:

- * Number all packages and attach the appropriate poem.
- * I would suggest enlarging them & running them on colored paper.
- * If you need to drop to under \$159, do a Gift Basket but not the "12 DAYS" (*Journey*, *ELIGE*, etc.)
- * Remember to ask men who also own businesses about gifts for their employees.
- * Assure him that all gifts are generic - she will love them - every woman would, but everything is guaranteed & you will be calling her after Christmas to see if she wants to exchange anything.
- * Order your product as quickly as possible to assure delivery no later than Nov. 26th!
- * Get your baskets delivered by Dec. 12th so she can start opening 12 days before Christmas!
- * All the items fit into the Travel Organizer for easy showing of what's in the Basket! Order what you need & make up a sample basket with the empty boxes (it's much lighter & can be used year after year)

TWELVEDAYSOFCHRISTMAS

With a different 'twist'

Can you imagine a husband bringing a 4-5 foot tall Christmas gift into a home and sitting it by the Christmas tree?!!! The wife would be calling every woman she knows to show them what "her husband" brought her! Or deliver to an office where you will pick up additional orders. Remember, moms can buy for daughters, grandchildren, for grandmas, kids for moms, employees for their bosses & students for their teachers etc...

To all Consultants

1. You need 12 boxes, each one smaller than the other, stacked on top of each other, all wrapped in white paper.
2. (I use rolled scotch tape or take clear cellophane and bring it up for the bottom of the boxes to the top and secure it with a rubber band. Then top with a very nice large bow.
3. For your display purposes, you don't need to put anything in your boxes.
4. Take orders for their personalized 12 days of Christmas Gift and then make the gift individually.

The impact of this awesome gift is unbelievable! Just think... 10 men, purchasing just the \$199 Gold Series, is almost \$2000 in sales! Great things do come in small packages. We just like a lot of packages, don't you agree?

Happy Holidays!

Twelve Days of Christmas for Him

Basically, you give him one of these gifts each day during the 12 days of Christmas - leave it on his pillow, put it on his nightstand, etc. We could substitute things like movie tickets or something else if you'd like. Here is an outline of what the gifts are...

<u>Day</u>	<u>Gift</u>	<u>Message to go with gift</u>
1	Christmas Mug w/ Coffee	On the first day of Christmas my true love gave to me, a mug for my coffee or tea.
2	Face Bar	On the 2nd day..., cleanser for my face.
3	Hand Cream (no fragrance)	On the 3rd day..., soft hands for her to hold.
4	Moisturizer w/SPF 25	On the 4th day..., moisturizer to protect my skin.
5	Cooling After-shave Gel	On the 5th day..., balm so I smell great!
6	Movie tickets	On the 6th day..., a date night just for us.
7	Shave Foam	On the 7th day..., cream for a smooth shave.
8	Razor	On the 8th day..., a razor for my cream.
9	Lip Protector w/ SPF 15	On the 9th day..., soft lips for her to kiss.
10	Hershey Kisses	On the 10th day..., treats all just for me.
11	Hair and Body Shampoo	On the 11th day..., a treat from head to toe.
12	Cologne (choice)	On the 12th day..., cologne so she'll be close.

The total for the items above would be approximately \$155-165 plus tax depending on how well you shop for the "extras."

More Christmas Ideas

Week before Christmas HOT Sales

Carry a sample \$100 gift certificate in my purse, and after I ask men what they have chosen for their wife for Christmas and tell them that I know what their wife would love under the tree (if she is my customer) or, I say....."Oh gosh...sounds like you could use my help"!! Let me show you what has been the most popular request this season "...and I get out my \$100 gift certificate. Then say, "This is just a sample certificate, but this just happens to be the most requested gift item because your wife (girlfriend , daughter whatever) will be able to shop and get her favorite items along with a free personal pampering session from me! **She will love it!!!!** And since her time with me will be right after Christmas...SHE will be among the first to see the brand new products!!!!"

Then ask, "Is this a good amount for you or would you like more????? Where would you like me to deliver or send it?"

This idea is fast and simple.... no on-the-spot product decisions, simple wrapping, no shipping (unless you have to send the certificate), and money earned immediately so that you can order the new products! These certificates also allow you to book appointments immediately after Christmas for her personal pampering session!!!
