

### Vacancy Announcement

**Job title**      **Country Finance Manager**

**Location**      **Addis Ababa, Ethiopia**

**Closing date**   **15/04/2012**

Malaria Consortium is one of the world's leading non-profit organisations dedicated to the comprehensive control of malaria and other communicable diseases in Africa and Southeast Asia. Malaria Consortium works with communities, government and non-government agencies, academic institutions, and local and international organisations, to ensure good evidence supports delivery of effective services, providing technical support for monitoring and evaluation of programmes and activities for evidence-based decision-making and strategic planning. The organisation works to improve not only the health of the individual, but also the capacity of national health systems, which helps relieve poverty and support improved economic prosperity.

We are now seeking applicants for our Country Finance Manager in Ethiopia. Applications are invited from qualified accountants with 2 to 5 years' experience of managing a finance team and providing a finance service to the technical and operations team in country. This is the senior finance position in our country office which will play the leading role in managing all financial operations in Ethiopia. As a member of the Ethiopia Senior Management Team, the successful candidate will work closely with the management, technical and operations teams in country with accountability for managing budgets effectively, reporting to donors and ensure proper books of accounts are maintained in compliance with local law and MC financial management policies and procedures.

The successful candidate will have the following experience and attributes:

- Qualified ACA, ACCA or CIMA Accountant
- Two years' experience in a finance team, with at least two years in a managerial position training and developing finance staff
- Knowledge of NGO donors and their reporting requirements, specifically USAID
- Excellent computer skills with experience of computerised financial systems and Microsoft Excel
- Strong ability to manage and priorities multiple tasks

Please note there is no international package or relocation cost provided with this position.
