### Process for Elevator Pitch Competition

#### Step 1 – Prescreening

Students must submit a written copy of their elevator pitch on this registration form by midnight November 1. To do so, simply complete the form and click on the submit button at the bottom of the page. After prescreening by judges, up to 24 students will be notified that they will present their pitch at the conference. All students will be notified by November 5.

#### Step 2 - Competition Rounds

Students who have been selected will present before a panel of judges during breakout session #1 at the conference.

#### Step 3 – Final Round

The top eight (8) chosen from the Competition Rounds will move to the Final Round. The top winners from the Final Round will be announced at the closing session and scholarships will be awarded.

## Section 2: Elevator Pitch

Type your elevator pitch below. If selected for the competition round, this pitch should not be changed substantially. However, it can be further “polished” and “tweaked.”
