Ref: JWPS/2015/157

Date: 23/10/2015

Through the Principal,

Mrs Yap - Ng Hwee Heng

Dear Parents/Guardians,

Purchase of Calculators (Latest model: Casio FX-96SG PLUS)

As part of the Primary 4 post-exam activities, the school will be conducting lessons on the use of calculators. This is to prepare the pupils for the Primary 5 Mathematics syllabus next year.

Please take note that only MOE approved calculators are allowed to be used in the school and it is **compulsory** for every pupil to own a calculator. The list of MOE approved calculators is attached for your reference.

We have engaged the services of Learners' Connections Pte Ltd in the sale of the calculators (Casio FX-96SG PLUS) at a special student price of **\$21** in school on **2 November 2015 and 3 November 2015**. Further, the calculator will come with a sticker label and a "Using Your Calculator Effectively" book which pupils can work on to familiarise themselves with their calculators.

Your child needs to bring the money on either 2 November or 3 November.

Pupils who are under FAS will be given a complimentary set.

Please complete the purchase request slip attached and submit to your child's Mathematics teacher by 29 October 2015.

Yours sincerely,

Ms Wai Lai May

Level Head / Mathematics
