A Historic Celebration of Buckskinners, Traders and Native Americans.
Always the second full weekend in July.

Greetings Chadron Community Members and Friends of Fur Trade Days!

Fur Trade Days, Inc. invites you to partner with us in producing the 2014 Fur Trade Days celebration through the purchase of an annual membership. Since 1977, Fur Trade Days has been a part of the Chadron culture. In addition to it being a grand excuse for family and friends to gather, it has also been a major boost for the local economy. Visitors come from all over the country to participate in many of the events or to just enjoy the festivities.

Fur Trade Days is a significant tourist draw, and travelers who enjoy their visit to our community are likely to return and also recommend us to their friends. This type of good will advertising cannot be purchased.

To produce the quality event which will draw visitors from surrounding areas, both financial and volunteer support are needed from the community. What better way to start than by purchasing a membership? The attached form suggests several categories, but no amount is too small. Any contribution will help. All contributors will be listed as "Friends of Fur Trade Days" on our web page (FurTradeDays.com) and on various promotional materials.

THANK YOU FOR YOUR SUPPORT!
