**Dr. Susan L. Hall and her 95 Percent Group Inc. consultants will provide on-site training and follow-up support for two elementary schools (River's Edge Charter Academy and Turner Elementary School). The launch training and on-site training working with DIBELS data to improve intervention instruction to be provided during the following dates:**

- **One 2-day Workshops for Teachers from both schools– I've DIBEL'd, Now What?**
  - Launching K-3 workshop – November 26 & 27, 2007
    - November 26 – Kindergarten and Grade 1
    - November 27 - Grade 2 and Grade 3
- **Follow-up for River's Edge Charter School (Grade level meetings with teachers)**
  - **Follow-up #1** - Thursday, January 24 & Friday, January 25, 2008
  - **Follow-up #2** - Tuesday, March 11 & Wednesday, March 12, 2008
  - **Follow-up #3** - Tuesday, May 6 & Wednesday, May 7, 2008
- **Follow-up for Turner Elementary School (Grade level meetings with teachers)**
  - **Follow-up #1** - Monday, February 4 & Friday, February 15, 2008
  - **Follow-up #2** – Thursday, April 3 & Friday, April 4, 2008
  - **Follow-up #3** - Thursday, May 8 & Friday, May 9, 2008

**95 Percent Group Inc. consultants will conduct site based professional development for K-3 teachers on the next steps on utilizing data to form reading groups and inform their instruction, as well as how to provide focused intervention lessons utilizing a structured lesson plan format. Classroom observations and on site support will be provided by her team. Dr. Hall will consult with district and school reading leadership teams on how to implement instructional practices which match the deficiencies indicated in each school's K-3 student reading data.**
