Minimum Qualifications

1. A minimum of 1 year of qualifying income from the **same** source (e.g. same employer/disability for one year).
2. The applicant does not currently own, or has not owned a home within the last 3 years. Applicants who currently own a home or have recently owned a home may still apply, but will need to provide details on their homeownership and may be given a lower priority than people who have not recently owned a home.
3. The household's income must be between 30% and 60% of the Adjusted Median Income in the county you live in.
See Chart on the back of this form.
