**Lang/lit/culture courses** are taught in Italian, and usually originate in the Italian program (ROIT). They generally focus on language, literature, cinema, and general Italian culture and civilization.

**Italian studies courses** are courses on Italian subjects which may be taught in either English or Italian. They may be ROIT courses on literature, cinema, culture, etc..., but they may also come from other programs (with or without an ROIT listing), such as LLRO, Art History, History, Classics, Music, FTT, Architecture, Political Science, etc....
