Revive MS Support is a charity that provides vital therapy, advice and support to people affected by Multiple Sclerosis (MS) in the heart of communities across the West of Scotland in order to enhance their well-being and empower them to live full and productive lives.

We need your help now!

In April 2015 we launched #thenextstep campaign to raise £1.5million in the next 2 years. This money will allow us to reach even more people affected by MS by:

- enabling us to continue delivering, up until our move, vital services for people affected by Multiple Sclerosis from our present Centre
- helping us to relocate to larger, fit-for-purpose premises, which have now been identified in Moorpark Court, Govan.
- growing and developing our services which will only be able to happen once we have moved to larger premises.

It is going to be an amazing journey over the next 2 years, and beyond, and will help us to fulfill our mission statement: To be Scotland's leading provider of support for people living with MS, including family and carers, enhancing their well-being and empowering them to live full and productive lives.

We do hope you can join us for what promises to be a truly memorable afternoon in aid of a worthwhile cause.
