The Arizona State Championships will be held at the Tucson Dressage Club (TDC) Fall Festival, November 22-23, 2014 at the Pima County Fairgrounds in Tucson, AZ.

For scores to count toward qualification for the State Championships, a \$25 nomination fee must be paid for each horse. This fee must be paid before any rides will count toward qualifying.

Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. Multiple riders may qualify on the same horse if the nomination fee has been paid for that horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Fall Festival show. See State Championship Rule 5.

There are two ways to file your Nomination Form:

1. Send the nomination with a \$25 check, payable to Tucson Dressage Club to the address listed below.
2. Include the nomination and check, payable to TDC, with your show entry to any Recognized show in Arizona-- ADA, Tucson Dressage Club (TDC) or Coconino.

2014 ARIZONA STATE DRESSAGE CHAMPIONSHIP RULES

The 2014 Arizona State Dressage Championship Rules and Nomination Form appear in the Arizona Dressage Omnibus or ADA and TDC websites. Updates will be posted on these websites, if required: ADA, www.azdressage.org; TDC, www.tucsondressageclub.org.

NOMINATION

Horses must be nominated to be eligible for participation in the Arizona State Championships. The nominating fee and form must be received before any scores will count toward qualification. The nominating fee is \$25 per horse. Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. The horse may be ridden by multiple riders during the show year. Qualifying scores must be earned by the horse/rider combination, even though the nomination fee is paid on the horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Tucson Dressage Club (TDC) Fall Festival show(s). See State Championship Rule 5.

QUALIFYING

Open to any Arizona resident, including student resident (U.S. citizenship not required). **Rider must be a member of an Arizona GMO (GMO = Group Member Organization of USDF – United States Dressage Federation) by August 31, 2014 to ride in 2014 State Championship show classes.** Rider need not be a member of an Arizona GMO at the time the qualifying scores are earned.

Competition year for the 2014 State Championships qualifying is from October 1, 2013 through September 30, 2014. The Arizona State Dressage Championship classes are held in conjunction with Tucson Dressage Club (TDC) Fall Festival show November 22-23, 2014. Horse/rider combinations must earn two (2) qualifying scores under two (2) different judges at US Equestrian Federation recognized Open shows held in Arizona between October 1, 2013 and September 30, 2014 in any test of the level.

Horse/rider combination must declare Rider's status (Open, Adult Amateur or Junior/Young Rider) and must provide proof of eligibility to show management.

COMPETITION

Qualifying competitions must be recognized by at least US Equestrian Federation.

Qualified horse/riders/level will be published in the TDC Transitions and the ADA Centerline and on the TDC website (tucsondressageclub.org) and the ADA website, (azdressage.org). Copies of the list of qualifiers will be sent to all Arizona GMO's. Any rider who does not appear on the qualifying list (and who believes that s/he has indeed qualified) must supply a photocopy of the face of both qualifying test sheet rides OR copies of USDF records of qualifying rides to the show secretary upon entering Arizona State Dressage Championship classes.

1. Championship Classes will be double judged.
2. THE HIGHEST TEST OF THE LEVEL WILL BE RIDDEN FROM MEMORY.
3. NO WHIPS MAY BE CARRIED IN CHAMPIONSHIP CLASSES.
4. Cross entering divisions is not permitted unless at levels that do not offer separate divisions.
5. **At no time during the Championship or the concurrent Open Show may any horse entered in the Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (Exception: grooms riding on loose rein). Further, any horse entered in the Championship competition, even if entered at two levels, must be ridden by the same rider throughout all days of the competition, including the Open Show held in conjunction with the Championships show. Two shows held over the same weekend will be considered a single show. This rule applies as soon as the horse is on the grounds.**
6. Championship Classes will follow US Equestrian Federation and FEI rules regarding attire and equipment allowed. Ring stewards will check saddlery and inspect bits of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery or equipment rules will entail immediate elimination (See DR121.8).
7. Horse/rider combinations which have won a State Championship may no longer compete in a State Championship competition, in that division, at that or a lower level (Grand Prix Level excepted).
8. In the event of a tie (equality of total points) for Champion and/or Reserve Champion in Championship classes, the collective marks will determine first, second and/or third places (i.e., when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal, the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) This policy for breaking ties will also apply to subsequent placing in the class. In the case of a tie (equality of total points and collective marks) for Champion, prize money, (if offered) for Champion and Reserve Champion will be combined and divided equally between the competitors. See USEF Rules DR123.3 and DR123.6.

DISEASE OUTBREAK RULE

In the face of a disease outbreak, the show committee reserves the right to follow the AVMA (American Veterinary Medicine Association) and or the AAEP (American Association of Equine Practitioners) recommendations as to what testing would be necessary to consider a horse free from the disease in question. They also reserve the right to require written proof that said testing has been performed within the recommended period of time. If the competitor does not adhere to the requirements the show committee can refuse entrance to the show.

Some diseases are "Reportable Diseases", meaning they must be reported to the State of Arizona Department of Agriculture. These diseases are subject to quarantine rules of the state. An example of one such disease is Vesicular Stomatitis. In the case of reportable diseases a health certificate is required from an accredited veterinarian with proper statement regarding said disease to accompany the horse.

Since this rule could apply to any number of diseases, and it would be impossible to list them all here, the show committee will post the testing/health certificate requirements on the sponsor web page if there is a current disease outbreak in the area.

EQUINE HEALTH

Licensed shows operate under USEF guidelines. These guidelines recommend that you keep your horse as healthy as possible when competing; i.e. current vaccinations against diseases prevalent in your area and current Coggins test. Additionally a health certificate is required if you travel across state lines to compete.

We remind you that stalls at the show facilities are not disinfected between horses. The venues clean and remove shavings and manure only. You have the option of cleaning the stall before putting the horse in the stall. A detergent, such as Tide, and water mix is recommended by the USEF. Rocal also works well on wood and Clorox on hard surfaces.

If your horse becomes ill while at the show, please report it to the show committee even if you choose not to have it seen by a veterinarian. The show committee reserves the right to ask you to remove the horse from the premises. If that is not possible, the committee may ask you to isolate the horse in a designated stall. Please try to avoid contact with other horses in case the disease might be contagious. If your horse is sick and you have decided to leave the premises, you are required to notify the show committee. Also, be considerate of other horses at your home barn and let them know that your horse may have contracted a communicable disease.

We are all interested in keeping our horses as healthy as possible, so please don't bring a sick horse, or one recently recovered to the show. Thank you for your cooperation.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux, quadrille, FEI Para-Equestrian classes, are exempt from this requirement. Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
