Tuition Assistance

Tuition Assistance: The AAPL Education Foundation has established a new tuition assistance program that will pay the registration fee for any AAPL member who desires to attend an AAPL operated educational event but cannot do so due to financial limitations. To receive assistance, an AAPL member must submit a written request for assistance along with the event registration form. The request must indicate the reason that assistance is needed, the years of AAPL membership (*minimum two years*), and list all other programs for which tuition assistance was approved (*maximum of two events per year*). The names of registrants requesting financial assistance will remain confidential.

Tuition assistance is available for all AAPL operated education programs except the annual meeting. This includes all AAPL Institutes, Seminars, Workshops, and Oil & Gas Land Reviews (*CPL/RPL*) and exam. Assistance for these programs is limited to two per year. Assistance is also available for all AAPL on-line programs with no limit to the programs watched. Home study programs are eligible for a reduced rate of \$25 per course with a limit of five courses per year.

Transfers and Cancellations:

All requests for transfers and cancellations must be made in writing and all must be made before Friday, February 7, 2014.

Individuals may transfer their registration to another individual for this event at no additional charge. Transfers to another AAPL event may be made for \$25 if made prior to February 7, 2014. After that date, no transfers will be accepted.

Registrations may be cancelled for a refund, less a \$25 administration fee, if made prior to February 7, 2014. After that date, no refunds will be granted. Registrants not entitled to a refund will receive a copy of the written materials.

AAPL retains cancellation rights. In the unlikely event of cancellation, AAPL will attempt to notify all pre-registrants.
