

LIFE EDUCATION – Healthy Harold

K - 6

Monday 15th August 2011

Dear Parents/Carers,

Earlier this year, we secured a booking for Life Education to visit our school.

Life Education is the largest non-government provider of health education to children and young people, Australia wide.

Life Education uses the most up to date technology and teaching methods to build the capability of young people by challenging their values and attitudes, expanding their knowledge and developing their skills. They motivate, encourage and empower students to exercise real choice and make informed healthy lifestyle decisions.

All programs are based on the latest research, and are linked to school curricula in each state and territory so they support, and are supported by, other activities in the student's learning experiences in the classroom.

Below is the timetable for your child/ren's class.

Wednesday 31/8/11	Thursday 1/9/11	Friday 2/9/11
5B 9:45am – 11:15am	Lions 9:30am – 11:00am	Tigers 9:15am – 10:45am
