

Help parents by getting Biblical Parenting Resources into their hands

Offer a variety of biblical parenting resources to help families with children ages 2-18. You can provide parents with specials they can't get online. Take orders and keep 20% for your work or enjoy credit toward purchases for your own parenting library.

Here's what you do

- 1 • Order your Parenting Resource Table Kit. You'll receive 10 books, 3 Audio CD sets (cases only), 2 DVD sets (cases only), 2 Leader's Guides, 2 Children's Curriculum, a promotional DVD, table posters, sign up sheets, order forms, and a Promotional Guide.
- 2 • Display the resources for two weeks. You may want to have the promotional DVD running with glimpses of Dr. Scott Turansky and Joanne Miller teaching. Take orders from individuals.
- 3 • Combine the orders into one group order and keep 20% of the total. Send your order in by mail or fax.

- 4 • Receive the products and distribute them to parents.

There is no cost to you for offering this service. Your \$150 deposit will be refunded when you return the Parenting Resource Table Kit.

You keep 20% of all sales excluding the video kits. You can receive 10% off video kits if your order exceeds \$100 in retail sales of other products. All products must be shipped to the same address. Thank you for your partnership in helping build strong families.
