Route One

Can the applicant produce a Group 1 document? If yes, then the applicant must produce 3 documents:

- 1 document from Group 1 (refer to list of Valid Identity Documents); **and**
- 2 further documents from Group 1, 2a or 2b; one of which must verify their current address.

NOTE - Non-UK/Non-EEA Nationals:

All Non-UK/Non-EEA Nationals should be validated via Route One by supplying the following combination of documents:

- Current Passport; **and**
- Biometric Residence Permit OR Work Permit/Visa (UK); **and**
- 1 further document from Group 2a or 2b (refer to list of Valid Identity Documents), which verifies their current address.

If the applicant has satisfied Route One, then the document check is complete. If the applicant cannot produce a Group 1 document then go to Route Two.

Route Two

The applicant must produce 3 documents from Group 2 comprising of;

If the applicant fails the external validation check, they will need to go for fingerprinting. This may add delay into the overall application process.

Route Three

ALL Registered Bodies must have exhausted Route One and should have endeavoured to have accessed an external validation check (Route Two) before you consider processing an applicant via Route Three.

If the applicant cannot meet the requirements of Route One or Two, you should have a discussion with them to establish why they could not meet these requirements and whether there has been a recent or previous change of name that has not been declared.

For Route Three, the applicant must produce:

- A certified copy of a UK birth certificate*;
- and**
- 4 further documents from Group 2 comprising of:

If the applicant fails to produce the required document set at Route Three, they will need to go for fingerprinting. .

*All copies of UK birth certificates state 'certified copy' when issued by the General Records Office.
