

WILLOWDALE SPONSORSHIP 2016

Jumping jackpots are open to riders of all ages. We start at 2'3" and have rounds that go up to 3'6". We had huge success with our jackpots in 2015 and requests to have more. Our heated indoor arena is the perfect venue to host this event.

We are pleased to announce the success of this past year and the outpouring support we have had from the community. Willowdale Equine is focused on helping our next generation reach their goals in Show Jumping and within themselves. We see day to day the importance of helping these young ones stay focused and dedicated to their future and with that comes perseverance, courage, confidence and commitment. We have successfully ran our summer series with an outstanding response from our show jumping community. Our jackpots were introduced last winter and will be in full swing once again for 2016. They have added an element of excitement and an opportunity for many riders to gain confidence leading up to shows. We are offering both these once again and are looking to the community to join us in assisting these athletes reach their goals not only in the ring but out of the ring. Your gracious support will allow us to host schooling shows to enable these athletes and their horses an opportunity to compete in a friendly, supportive environment.

We also host our popular Summer Series Show starting in June. These schooling shows have a tremendous impact and growth on riders at all stages. Whether you are doing your first show or have been showing for years, each rider has benefited from these series of summer shows. A perfect venue to bring your young horse or seasoned winner! Willowdale shows have a definite community fun filled theme with tons of cash and prizes.
