Placement Information Form

Instructions: If you choose to complete this form please be as specific as possible in terms of your perceptions of your child's needs and the classroom climate you feel would best meet those needs. While it is hoped you have already communicated any concerns to your child's teacher(s), the information on the form below offers you an additional opportunity to share with the placement team your concerns in written form. If you choose to prepare remarks, please remember the placement team will use this form and it is not appropriate to request a particular teacher or make statements critical of another child or staff member. **We ask you return this form to Clara Barton to my attention no later than Friday, April 17, 2015.**

Student Name: _____ **Current Teacher:** _____

What, if any, learning style issues are important for the placement team to know?

Are there any social/emotional issues you would like the placement team to consider?

Are there any additional concerns or suggestions? *(Please note we cannot guarantee placement with or away from another child or with a specific teacher. Therefore, if suggesting a preferred friend, we ask you to provide us with a list of several options to enhance the possibility of us being able to honor your request.)*
