CSA Advantages

Advantages for farmers:

- Get to spend time marketing the food early in the year, before their long days in the field begin
- Receive payment early in the season, which helps with the farm's cash flow
- Have an opportunity to get to know the people who eat the food they grow

Advantages for consumers:

- Eat ultra-fresh food, with all the flavor and vitamin benefits
- Find that kids typically favor food from "their" farm – even fruits or veggies they've never been known to eat
- Develop a relationship with the farmer who grows their food and learn more about how food is grown

Berry CSA

We invite you to join our community. We are offering Berry Community Supported Agriculture (CSA) shares. The share is a prepaid subscription for fresh berries throughout the growing season. CSA members will receive a variety of berries (and some other fruits) for approximately 16 weeks. The season is estimated to start in June and run through September. Full shares, half shares, and double shares are available. We are also offering a Jam or Freezer Share. You also have the choice to extend your subscription to 20 weeks, to include premium apples for the month of October.

A Very Berry Season

An example of fruit received by **full share** members appears below. The mix of fruit each week will be determined by harvest & availability. In weeks when we have ample supply, you will be able to help choose the assortment you receive.

Month	Fruit per week
June	2 quarts strawberries
July	2 pints raspberries or blueberries or 2 quarts cherries or a combination
August	2 quarts everbearing (eb) strawberries
September	2 quarts eb strawberries, grapes, apples or a combination

Extended Season Share includes:

October	Premium apples (eg. Honey Crisp, Snap Dragon, Ruby Frost)
---------	---

Pick up Locations

All shares are projected to begin the second week in June, but will be adjusted based on the growing season. Full, half, and double shares will be 16 consecutive weeks of pick ups. Extended shares will be 20 consecutive weeks. Jam/Freezer shares will be once a month for four months (pick up weeks to be discussed individually).

There will be three pick up locations: Tuesdays in Albion at Panek's Pickin' Patch, Thursdays in Medina at Ledge Rock Farms (former Smith's Farm Market), or Saturdays at the Clarence Hollow Farmers' Market.

Payment

A minimum of 25% down payment for each share is required at sign-up. All memberships must be paid in full prior to the first pickup. Cash or checks accepted. Please make checks payable to Panek's Pickin' Patch, 13420 W. County House Rd, Albion, NY 14411.
