Dear Friend,

We are pleased to invite you to participate in the 10th Annual Champions of Education Golf Invitational! This fundraising event will benefit the Bridge Builder Foundation, Inc. (formerly the Zeta Rho Foundation) as well as the Viscount Foundation. The event will be held on Friday, September 30th, 2016 at the Black Gold Golf Club in Yorba Linda, CA. Registration will begin at 11a.m. with Shotgun Start at 12:30p.m. Proceeds from this event will benefit at risk youth and increase the number of opportunities designed to assist them in attaining higher levels of education.

Recent research has highlighted the presence of a sharp decline in the percentage of inner-city youth, residing within the Los Angeles Metropolitan Area, who participate in higher education. This research also indicates that over 50% of local students entering high school will not graduate.

The Champions of Education Golf Invitational is committed to changing these alarming trends. Proceeds from the event will assist in subsidizing various programs administered by the Bridge Builder Foundation, Inc. and the Viscount Foundation. These programs provide a critical focus on several aspects associated with academic advancement and college preparation, including a yearlong science program, tutoring, educational field trips, as well as intensive mentoring and four year scholarships for at-risk youth. Moreover, these programs employ a holistic approach, through which students *and* parents gain valuable knowledge and insight regarding both higher education and the educational attainment process, in general.

Your generous support will avail these programs to a greater number of youth, who are desperately in need of such opportunities and enable your company to demonstrate its corporate citizenship and dedication to the betterment of youth in the Los Angeles area.

If you have additional questions about the tournament, please contact James Breedlove at (562) 618-4389.

Sincerely,

Charles J. Franklin II
