

EXTRA EXTRA EXTRA

Breaking News for Terman 8th Grade Parents...

It may seem like school just started, but it's time to start planning for your 8th grade student's Promotion Party on June 9, 2011! The 8th Grade Promotion Committee has already been hard at work, and here's what's happening:

1. We have a party theme, but will it's hush-hush to build the anticipation (except for those who volunteer to help with the event, of course!)
2. We've completed our first fundraiser with the pizza dinner sales at the Science Fair, raising over \$800
3. We've planned a See's Candies Gift Certificate fundraiser that will run throughout the school year with extra publicity during the Holidays, Valentine's Day and Easter. There's a separate flyer enclosed to explain this in more detail which is also available online at <http://terman.paloaltopta.org/10-11/PDF/Sees%20Fundraiser%20Flyer.pdf>. Through this program we hope that our own students will be active participants, reaching out to family, friends and neighbors.
4. We welcome more fundraising efforts by any and all who wish to spearhead a project.
5. We've scheduled the next promotion planning meeting for November 30th at 7pm in the Library.

The promotion party for our 8th grade students includes a themed dance with DJ, games and entertainment, themed decorations and most importantly, a complete dinner aligned with the theme. Also, spawning from this effort will be the selection and purchase of a class gift to the school. If we are fortunate enough to raise more funds than needed for the party and class gift, those dollars will follow our students to seed their high school graduating class activities.

The greatest source of funding for these activities and the funding for scholarships to ensure all students are able to enjoy this once in a lifetime event comes from the parents of our 8th grade students. We hope you will consider making a gift of \$100 to support the 8th Grade Promotion Party on June 9, 2011. That said, any amount of gift is welcome, and any gift of \$20 or more will serve as your student's admission ticket to the dance and dinner. Gifts over \$20 are tax deductible (FEIN 77-0567364). A gift of your time is also greatly appreciated so if you wish to lend a hand volunteering to make the 8th Grade Promotion Party an extravaganza, please note below.

Amount of Gift to 8th Grade Promotion Party:

\$20 _____ \$50 _____ \$75 _____ \$100 _____ \$Other _____

Parent's Name: _____

Student's Name(s): _____

Address: _____

Email address: _____

Phone #: _____

Sign up here if you would like to volunteer to help with the Promotion Party!

Food _____ Decorations _____ Construction _____ Activities _____ Tear-down _____

Please make your check payable to Terman Middle School PTA – 8th Grade Promotion
