Description of the location (The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)	
<p>Dalston Medical Group is a single site General Practice Partnership in a semi-rural location offering primary care services for the diagnosis and prevention of disease. We help patients to manage their own health. We provide a range of medical and community services for the local population</p> <p>We have a wide range of staff including General Practice assistants, practice nurses, health care assistants, dispensing staff and a practice manager</p> <p>There is ample parking in the car park adjacent to the surgery. There is easy access for wheelchairs and assisted toilet facilities</p> <p>GPs at Dalston Medical Practice assess, diagnose, treat and manage illness. They carry out screening for some diseases and promote general health and wellbeing. Our GPs act as a patient's advocate, supporting and representing a patient's best interests to ensure they receive the best and most appropriate health and/or social care. Our GPs also provide the link to further health services and work closely with other healthcare colleagues. They may also arrange hospital admissions and referrals to other services and specialists and they link with secondary and community services about patient care, taking advice and sharing information where needed. They also collect and record important information from other healthcare professionals involved in the treatment of our patients</p>
