Last Week at LPS

LNPSSA BASKETBALL

Last Monday our Girls and Boys Basketball team travelled to Narrandera to take part in the LNPSSA Basketball Knockout and Trials. Both teams had a great day and should be congratulated on their sportsmanship.

The girls won their first game against small schools 46-4 however went down to Narrandera in the final 24-12. Our boys won their first game against Small Schools 80-10 and won their final game against Parkview 37-14.

RIVERINA BOYS CRICKET PRE SELECTION TRIALS

Kalem Thompson and Blake McDonald travelled to Griffith last Thursday to participate in the pre-Riverina Cricket Trials. There were approximately 24 boys from years 5 and 6 who attended the trials to display their skills in batting and bowling within the nets. Both boys performed well on the day. Special congratulations to Blake who was 1 of the 7 boys selected to travel to Deniliquin in a weeks time for a full day of cricket where the Riverina squad will be picked to go to Sydney!

LNPSSA Swimming Carnival

Last Friday the LNPSSA Swimming Carnival was held at the Leeton Pool. Congratulations to all our swimmers who swam as part of the LPS swim team. We had an extremely successful day in the pool once again winning the overall points score trophy.

Congratulations also to Age Champions Jhi Grundy, Flynn Anthony, Adelaide Meline and Tom Sheldrick all of whom had a wonderful day pool side.

Big thank you to all of the LPS parents who helped out at the carnival on the day. A special mention to Mr Anthony for providing LPS with refreshments and a BBQ at the Swimming Carnival and thank you also to Mr and Mrs Lashbrook for cooking.

The aim of the Young Leaders conference is to:-

- Inspire students to make a positive contribution to their school.
- Motivate students to be great leaders in their area of influence.
- Empower students with practical skills of balancing study, school commitments and social life as well as managing stress in these areas.
- Promote the value of inspirational and positive role models as examples to others, by exposing students to a diverse range of leaders and their views on leadership.
- Educate students about the need to grow in knowledge and practical skills in the areas of excellence and leadership.
- Connect students from different schools and develop long-term support networks.

Coming Up at LPS

K -6 Open Morning – Thursday 3rd March

On Thursday March 3rd we will be holding an open morning across the school to allow parents the opportunity to see how students have settled into school in 2016. Classrooms will be open throughout the school at the following times. Please come along and have a look at the great things that are happening at our school.

K- 6 Open Day

Stage 1 (Years 1 & 2)	9:30am -10am
Kinder	10am -10:30am
Stage 2 (Years 3 & 4)	10:30-11am
Stage 3 (Years 5 & 6)	10:50-11:20am

The staggered times allow time for parents to visit classrooms across all stages.

ATTENDANCE MATTERS

Parents or caregivers of children from Kindergarten through to Year 12 are responsible for ensuring their child attends school every day. This means all children between the ages of six years and below the minimum school leaving age are legally required to attend school.

When children miss out on school they miss out on vital information, their learning routine is broken, they can lose confidence and they miss out on building up friendships.

Once children are enrolled parents are legally required to send them to school every day that the school is open for instruction or participation in school activities, such as sports days. A small number of absences may be justified if your child:

- has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- has to go to special religious ceremony
- is required to attend a serious and/or urgent family situation (e.g. a funeral)
- is too sick to go to school, or has an infectious illness

Notes of Explanation

Parent/s or caregivers are required by law, to provide an explanation to the Principal within seven days of any absence, as to why their child was not at school.

It is important that the school receives a written explanation because:

1. It is a parent's legal obligation to explain their child's absence within seven days
2. A valid reason needs to be given. Stating my child was absent or absent for personal reasons is not acceptable. While not wishing to encroach on parents privacy, the reason needs to be acceptable to a court of law should it ever be required.
3. It is a requirement that the school investigate all unexplained absences
4. It avoids the school and the Home School Liaison Officer from making unnecessary investigations
5. It is the way the school knows that your child was legitimately absent and not truanting from school.

If you anticipate that providing a written explanation (a note) will be a problem for you, please contact the Principal to discuss alternative acceptable arrangements.

A note of explanation should contain the following information:

- the date the note was written
- your child's name and roll class
- the days and dates that your child was absent from school
- the reason your child was absent
- the signature of the parent

The school is required to retain these notes for twelve months from the date they were received.

Should your child require extended leave for any reason, an application for Exemption for Attendance should be made to the Principal. Strict conditions apply to the granting of this leave. Application forms are available on request. If you are applying for an exemption please do so at least 2 weeks prior to taking leave.

Please remember that you can use the LPS school App to put in absentee notes.

School Contributions

Last Week an invoice was sent home to parents for the 2016 School Contributions and Technology Fees.

The School contributions for 2016 have been set at \$40 for the first child, \$40 for the second child and \$15 per child thereafter.

The 2016 Technology fee has been set at \$20 per students which gives students access to Athletics and Reading eggs both at home and school.

LEETON PUBLIC SCHOOL APP

A reminder to everyone that you can now download our APP from the App stores for Apple and Android devices. The App gives you access to our newsletters, calendar as well as the ability to send in absentee notes online.

Take the time to download the APP today.

A reminder/explanation to all families, to please keep your sales docketts from any department of the Golden Apple Supermarket and send them in to the office at any time during the year. A very big thank you to those parents/grandparents who have been sending in their docketts already.

LNPSSA Boys and Girls Basketball Knockout and Trials

Seven boys and six girls attended the LNPSSA Basketball First Round Knockout on Monday 15th February at the Narrandera Basketball Stadium. With only a few days for selection and training I am extremely proud of the two teams in their efforts on the day.

The girls team consisted of Charlie Lamont, Sophie Anthony, Sarah Puntoriero, Matilda Ryan, Emily Mahalm and Adelaide Meline. They won the first round against the small schools team setting up a game against Narrandera Public in the final. Even though they played great they lost 24-12. I commend the girls on their great efforts.

The boys team consisted of Junior Nikoro, Ben Faoa, Blake McDonald, Liam Papisidero, Tom Sheldrick, Caide McVittie and Logan Mahalm. They won their first game against small schools and went into the nerve-racking final against Parkview Public coming up with a win 37-14. They played a great game and will play the next round of the PSSA knockout competition.

The following students were selected to travel to Albury to participate in trials for the Riverina team: Sarah Puntoriero, Emily Mahalm, Junior Nikoro, Ben Faoa, Tom Sheldrick, Caide McVittie and Logan Mahalm. I congratulate them and wish them the best of luck.

Congratulations everyone once again for a fantastic day and great sportsmanship. Their behaviour throughout the day was great. I would like to thank all the parents and grandparents who came and supported both teams and who assisted in transport to the venue. I would specifically like

to thank Emma Kelly, Ryan Malhalm and Aliesha McDonald for scoring and doing bench duties throughout the day.

LPS 2016 Swimming Carnival

The LPS Swimming Carnival was another very successful event. Congratulations to all the students who participated and tried their best. It was terrific to see many more races this year due to more students participating. It was heartwarming to see students encouraging and congratulating others after races with many trying new events for the first time. That's what it's all about at the LPS carnival, getting in, having a go and creating our own PB's. Well done!

A huge thank you must go out to all our wonderful Mums, Dads, Nans, Pops and carers who helped out at the carnival. It was fabulous to see so many helpers, without your expertise and support events like this are quite difficult. A big thanks to those who were unable to help at our carnival but still managed to help out by providing water and watermelon for

our helpers. It was much appreciated on such a hot day!! Thank you also to Jane Houghton and Emma Kelly for their judging on the day a difficult role that was conducted very professionally. So from LPS staff and students **THANK YOU** to everyone who gave their time to make our carnival such a success!

The winning house this year was Sturt, Congratulations Sturt! This was followed by Flynn, Parkes and Cook. It was fabulous to see such a close contest this year with less than 100 points separating all 4 teams!

BANKING, BANKING, BANKING!!!!

Wow Week 5 already!!

Welcome to those who have started on the rewarding school banking journey.

School banking is done every Tuesday. It's never too late to start banking just drop into your local Commonwealth Bank Branch and open a Youth Saver account, then send in your deposit book and we

will issue a student number.

School banking is simple and a great way to encourage your child/ren to learn about saving and a great head start for their future.

Each time your child makes a deposit they will be issued with a silver token. Once they have made 10 deposits they can send in their tokens and choose from one of the reward items on offer.

Rewards on offer for this year are:

- Flying Snake Tail and Wildlife Writer Set, released Term 1
- Mud Splat Handball and Outback Pat Bag Tag, released Term 2
- Backtrack Eraser Pen, and Jump and Skip Rope, released Term 3
- Bush Fly Fan and Wriggly Glow Worm, released Term 4

Win a wildlife family adventure holiday at **Australia Zoo**

This year School Banking is also running another awesome holiday giveaway:

This year we're giving students the chance to win a family trip for up to two adults and three children to explore Australia Zoo and meet Bindi and Robert Irwin.

Students who make 15 or more School Banking deposits by the end of Term 3, 2016 will be automatically entered into the draw. This is another great way to motivate students to save regularly and reach their savings goals.

We are available at school from approx 10am- 11am Tuesday mornings or leave a message with the ladies in the office.

Regards, Kristy Jackson and Steph Glenn, School banking Coordinators
