

ORGANISED BY THE ROTARY CLUB OF ROYSTON

Ben Hogan receives his trophy from Mayor Victoria Hulstrom-Allen for her choice of best vehicle for his 1929 Austin Butcher's Van

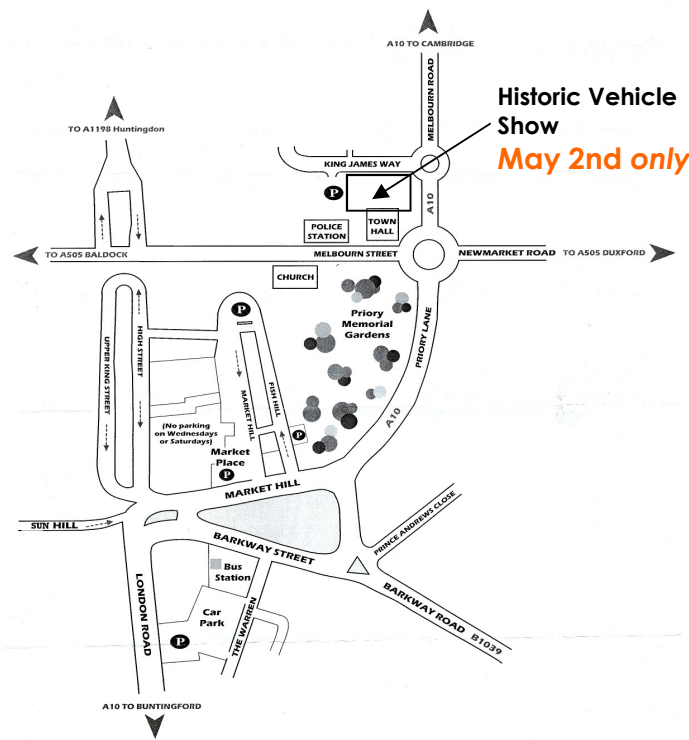

Tony Malthouse receives the Rotary President's award from town crier Graham Pfaff for the best bike in show, a 1966 Norton 750 Commando

The 2015 Shows

For the May Fayre show the Rotary President, Clarice Wahlich, was unable to attend and so previous show organiser Peter Franks stood in to select the winning vehicles and Graham Pfaff, the Town Crier, to present the awards. Peter's choice for best vehicle was Mark Messenger's carefully restored (8 years!) 1961 Mercedes 190 SL convertible. The prize for best motor cycle went to Tony Malthouse for his striking 1966 Norton 750 Commando. The Mayor, Victoria Hulstrom-Allen, chose Ben Hogan's stunning original condition 1929 Austin Butcher's Van.

At the Open secrets show President Clarice's choice of best vehicle in show was Ed Rayment's bright red 1953 MG TD, in which Clarice enthusiastically accepted a short ride.

June 5th show: Therfield Heath, next to the Heath Sports Club, Baldock Road, SG8 5BG (map can be found at <http://www.roystonheath.co.uk>)

To reserve your place at either show, and to assist the organisers, it would be helpful if you could respond by the 20th April 2016. Returning this form, or by Email, will be sufficient to guarantee you a place. To save money, no confirmation shall be sent. Please do enter the free quiz. The person who correctly answers the most questions will win a voucher for use at B.A.S. Autosupplies (in the event of a tie it will be the first entry drawn). In the event of bad weather please check the Rotary web site to ensure that the event is still going ahead: <http://www.roystonrotary.com>

Exhibitors are requested to arrive: between **11.00am** and **11.30am** on May 2nd and before **10.45** on June 5th

We had some very unusual vehicles on show. Is it possible that these were here to protect the Ferrari F50?

- 1) What did Alfred Horner Munro invent in 1921?
- 2) This company survived Hiroshima and in 1979 Ford took a 25% stake. What make of cars do they supply?
- 3) The Kestrel and the Weasel were cars made by this long defunct company and, more famously, a car that sounds like it could fly through the air. Which company?

Ray's Ramblings

The May Day show had wonderful weather and a record attendance of vehicles - we actually ran out of space! The June show continues to develop and also had a very good number of vehicles on show at the wonderful Therfield Heath setting. The shows do cost to arrange and the sponsorship we gather does not fully cover this. As Rotary money only goes to charity so they miss out. I would therefore be very grateful if each exhibitor could make a voluntary donation of £2 or so, collection buckets will be provided on the day. Any surplus over expenses will go to charity. Unfortunately I am unable to attend the May day show this year but on that day Ken Charles and Peter Homent will be looking after you.

Rotary President Clarice Wahlich, presents Ed Rayment with the Best Vehicle in Show trophy at Open Secrets for his 1953 MG TD

Was this our first ever £1m+ car on show? Kevin Johnson's fantastic Ferrari F50, which certainly made a £1m noise!

Please ask all your historic vehicle owning friends to come along. You can telephone or email me asking for an extra invitation and I'll try my best to get it to you or we can attend to the paperwork, such as it is, on the day. Please contact the secretary of your vehicle club and see if an advert can be placed in the newsletter.

Answers to last year's quiz, won by Rod Taylor, are:

- 1) In 1962 Bruce, Phil and Lorenzo came 1st, 2nd and 3rd. Where? Monaco Grand Prix, 3rd June
- 2) It was designed by Rudolf Hruska, built in Pomigliano d' Arco, S. Italy and you'd be very lucky if the bodywork survived until today. What was it? Alfa Sud
- 3) This company started out manufacturing bicycles in Selly Oak, Birmingham and then was bought by Charles Sangster in 1902. What famous vehicles did it make? Ariel motorbikes
