ABOUT LOCATION

The manor house was raised in the 18th century. It is built on a plan of a rectangle with two bow windows from the side of a garden in which orangeries were situated in the past. Around the manor house a park in the English style spreads with a pond with an island in the middle of its surface. Currently, there is a gastronomic and hotel complex. It is situated at 5B Giemzów Street in Giemzów, 2km from borders of Łódź towards Wola Rakowa.
