

Project Blue was founded in 2010 in honor of Baytown native and Sugar Land Police Officer - Marcus Lee Zaruba. Marcus died at the age of 29 from an aggressive form of cancer. Marcus' illness highlighted the need for a safety-net charity for non-service-related injuries and illness.

Project Blue is funded solely by donations. We pay no salaries. **We are a 501 (c)3 non profit foundation and all donations are tax deductible.**

Officer Leon Waltman is currently fighting a cancerous brain tumor. He is 64 years old, married to Linda, and has 3 children. Leon has been a Seabrook Officer since 1995, he also served with the City of Baytown in the late 70's. He will be undergoing another operation to remove more of the tumor in the next few weeks. He plans to fight the cancer by taking radiation and chemo at MD Anderson.
