*Every A.A. group ought to be fully self-supporting,

THE MANAGER'S CORNER

Thank you to Amy, Mike K., Tim H., Laura A., Seth, and Rodney for helping us paint the office on Saturday June 4th. This will be a work in progress until the whole office is done. If anyone out there has access to inside doors, give us a call, we have four openings that could use some doors.

Bev C. Office Manager

Central Office will be closed on Monday, July 4th.

GROUP CONTRIBUTIONS: It was necessary to implement a new CCFAA numbering format. For most groups, the last two or three digits of the number are the same as their previous number, but all groups now have a five digit number, which is printed on the mailing label of the BTW and Flyers. Please refer to this number if possible whenever corresponding with Central Office, particularly in regards to financial transactions. Most groups are still not familiar with their group numbers but we are getting there. In many cases no current address is available. Please remind all groups to update their information with Central Office.

Bev C. Office Manager

Please don't forget the **CCFAA Picnic on August 21st at Elk Grove Park**. If your group hasn't signed up for any event yet perhaps you could discuss it at your next group business meeting. Any and all help would be appreciated by our picnic chairperson Sandy T. If you would like to attend any of the picnic planning meetings, they are held the first and third Thursdays 6:00pm at Central Office. Any and all are welcome. The picnic is getting closer and there are still some activities that need chair people. Help if you can.

Bev C. Office Manager

We have a speaker list at the office and it needs to be updated. Some of the people on the list have disconnected phone numbers and have moved from the address they have listed. If you think you are on the list please call the office and we can verify your info on the phone. If your SPONSOR thinks you should be on the list give us a call and we can add you.

Bev C. Office Manager

Flyers: Please be advised that flyer information will be entered in the Group News, Speaker Meeting, or Special Event sections of the *By the Way*. This format will also be employed to convey your information on the website. Links to actual flyers will be available for flyers submitted in "soft copy".

Bev C. Office Manager

We received a letter from New York stating that the **price of books will be going up** as of July 1, 2005. All books will go up in price \$1.00 each except the Big Book. As of September 1, 2005 all books will go up in price here at the office \$1.00 except the Big Book, per OOC meeting on May 17, 2005.

Bev C. Office Manager

Financial reporting has been discussed at the last two Delegates' Meetings. Look for a change in the reporting format in the September *By The Way*. The new accounting software, Quickbooks, will be put into service as of July 1 2005

Did You Know?

According to a letter dated July 18, 1938, from Dr. Richards of John Hopkins, Bill, at that time, was using "Alcoholics Anonymous" both as the working title of the book and as the name of the Fellowship

Among other book titles suggested were "One Hundred Men," "The Empty Glass," "The Dry Way," "The Dry Life," "Dry Frontiers," and "The Way Out." In a jab at his own egotism, Bill said that he had even proposed calling it "The B.W.Movement"!

The name "One Hundred Men" fell by the wayside because of the objections of Florence R., at that time the only female member. (Her story in the first edition was "A Feminine Victory." She later returned to drinking and died an apparent suicide in Washington, D.C. The title page, however, did describe the book as "The Story of How More Than One Hundred Men Have Recovered From Alcoholism." By the second printing, this had been changed to "Thousands of Men and Women."

"One Hundred Men" was still the working title in a letter from Frank Amos to the Rockefeller Associates dated January 6, 1939. But, "Alcoholics Anonymous" headlined the letter, indication that this had by now become an informal way, at least in New York, of identifying the movement. Also, a pamphlet prepared as a fund-raising presentation early in 1939 was titled "Alcoholics Anonymous."

The choices quickly boiled down to "The Way Out," favored by a majority in Akron, and "Alcoholics Anonymous," preferred by most in New York. When a vote was taken in the two groups, "The Way Out" prevailed by a bare majority.

Although Bill favored "Alcoholics Anonymous," he knew that he could not arbitrarily settle upon his own preference—he was already learning to work with the group conscience. So he asked Fitz, who lived near Washington, D.C., to check titles in the Library of Congress. How many books were called "The Way Out"? How many were called "Alcoholics Anonymous"?

Fitz is supposed to have replied by telegram to the effect that the Library of Congress had 25 books entitled "The Way Out," 12 entitled "The Way," and none called "Alcoholics Anonymous." That settled the matter; nobody wanted to struggle with the burden of being simply another 'way out.'

The title of the book quickly became the name of the Fellowship, although debate continues about where and how the name was first used by a group. Oldtimer Clarence S. stated that the Cleveland group he founded in May 1939 was actually the first *group* to use the name "Alcoholics Anonymous." Whatever the individual groups called themselves (usually just "meetings"), the name certainly was used earlier than that to describe the Fellowship as a whole. In the book "Alcoholics Anonymous", which came off the press in April 1939 but was set in type much earlier, two passages from the foreword read:

"We, of Alcoholics Anonymous, are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body. To show other alcoholics precisely how we have recovered is the main purpose of this book..."

"When writing or speaking publicly about alcoholism, we urge each of our Fellowship to omit his personal name, designating himself instead as 'A Member of Alcoholics Anonymous.'"

Region 40 Chair- Greg B., 488-7031 - Present

The General Committee was last weekend in San Rafael. Marcel A. was elected as General Chairperson for the Northern California Hospital and Institution Committee. Next H&I Conference will be in Visalia in 2006 and in Petaluma in 2007. The literature will be going up on July 1st, so the committee voted and approved to spend \$50,000.00 of prudent reserve towards purchase of literature. This will leave \$10,000.00. Greg's term is up and he is looking for a replacement as Regional Chair for Area 40, which will be the liaison between Area 42, 43, 44, and 45. Five years of sobriety is required, see page 12 of pink book for details.

Area 42 Chair - Mark C. 391-8317 - Present

Unity Day is this Saturday and Mark needs help with the H&I table. All facility coordinators please get you Form 1's turned in. If you are a coordinator and need help, Mark has a list of interested people. Mark thanked the committee for meeting the quota each month, so we can continue to stay at Carrow's.

Treasurer - Rico R., 501-2434 - Present

Our balance is \$424.00, before all expenses.

Literature- Mary R. (209) 748-2698 - Not Present

CCFAA Liaison (Central Office) - Kimberly (209) 745-1694 - Present

CCFAA meets the 3rd Saturday of each month at 231 Eleanor St. in Sacramento. The next meeting will be Saturday, June, 18, at 4 p.m. Kimberly brings in literature and pamphlets. She also encourages each group to have a representative attend H & I meetings. Some groups are interested in having an H & I workshop. I have given Chris information of groups that are interested in a workshop. Kimberly has been doing this position for almost 2 years and asked if anyone would be interested in replacing her as liaison and attending both the H&I and CCFAA meetings. Please let her know.

CNIA Liaison (unassigned) District 23 (Vacant position)

Bridging the Gap - John F. 728-1384 - Not Present.

Per Mark, there has been a lot of 12-step calls and Bridging the Gap will also be at Unity Day.

Spring Fling - Jeanette M. 247-7474 - Present

Jeanette gave a written report and statement which she included the following: She expressed how she wishes that H&I would participate in the Spring Fling and how this would be a wonderful opportunity to carry the message. The cost of registration at the Spring Fling is to pay for the rent of the auditorium, lighting, the insurance, and all other expenses that all AA groups have to pay. At the last Spring Fling Committee meeting on June 1st, a motion was made to include H&I on the registration and flyers and was passed. The "check-box" on registrations will include H&I to keep record of H&I's involvement. Jeanette needs help with someone to act as chair person for the H&I information table, volunteers for the table, someone to pick up and return literature; service workshop coordinators; secretaries for the speaker meetings and back-ups; and raffle chair person. If interested contact Jeanette.

Workshop Coordinator - Chris W. 455-1290- Present

One is also located on Engle and one is located on Fruitridge in Sacramento. Per Mark, these facilities meet all requirements to have an H&I meeting. The facility was passed. Now, we need a coordinator to for the position of the new facility. It will be covered next month.

A motion was made to close the meeting at 7:23 PM; it was seconded and past unanimously. The next meeting will be Thursday, July 21st, 2005, Carrow's Restaurant at 6:00pm.

A. **CCFAA Chairperson** – Dale presented a request for Bylaws change:

Date: June 14, 2005

To: Dale Maack, CCFAA Chair

From: Valerie Cantu, OOC Chair

Subject: Proposed Amendment to By-Laws

By-Laws Existing Language

CCFAA By-Laws, Section IV Office Manager of the CCFAA Central Office

5. The Office Manager and permanent staff shall be eligible to take vacation after six (6) months of employment. The full time staff shall accrue vacation at the rate of 5/6 days per month. Vacation leave may be accrued up to a maximum of twenty (20) working days. (Full time is described as averaging 30 paid hours or more per week.) Permanent staff working on less than full time basis shall accrue these benefits on a basis proportional to the hours worked. Sick leave shall be available after ninety (90) days of employment. Sick leave is accrued by full time employees at the rate of 1/6 days per week and the less than full time permanent staff shall accrue sick leave at 1/12 days per week. Sick leave may be accrued up to a maximum of 27 days.

The Office Operations Committee proposes to change this language to read:

5. The Office Manager and permanent staff shall be eligible to take vacation after six (6) months of employment. Vacation begins to accrue from date of hire but can not be used the first six months. The full time staff shall accrue vacation at the rate of 5/6 days 8 hours per month for the first three (3) years; 10 hours per month after three years; 12 hours per month after five years; and 14 hours per month after 10 years. Vacation leave may be accrued up to a maximum of twenty (20) working days. (Full time is described as averaging 30 paid hours or more per week.) Permanent staff working on less than full time basis shall accrue these benefits on a basis proportional to the hours worked. Sick leave shall be available after ninety (90) days of employment. Sick leave is accrued by full time employees at the rate of 1/6 days per week 8 hours per month and the less than full time permanent staff shall accrue sick leave at 1/12 days per week 4 hours per month. Sick leave may be accrued up to a maximum of 27 days.

Reason for requested amendment: The OOC believes this change in accrual of vacation and sick leave hours will closely reflect benefit standards of the 21st Century. Also, the existing language is confusing and difficult to calculate and track.

CCFAA Chair - No report

NEW BUSINESS

Outside professional services – IT positions defined. No action necessary at the time just want inform delegates OOC is looking into this to meet future needs. (See report below.)

CCFAA Central Office & Professional Services (Office Sys Admin)

*Alcoholics anonymous should remain forever non-professional, but our service centers may employ special workers.
(Tradition Eight)*

Volunteer committee men and assistants could be of great help, but they could not be expected to carry this load day in and day out. At the AA Foundation, the same story repeats itself. Eight tons of books and literature do not package and channel themselves all over the world. (Twelve Steps and Twelve Traditions page 168)

The purpose of this memo is to delineate professional services needed to support CCFAA's Central Office operations.

Changes in office operations over the last few years have necessitated reliance upon outside professional services that were not required in the past. Professional Accounting services have been retained for many years, and often site and equipment maintenance, professional printing services and other outside commercial services are retained and paid at the customary rates.

Technology used in today's standard business practices cannot be reliably provided by AA volunteers. The providers must be qualified and reliable in order to support CCFAA's continued and uninterrupted service to the local AA Community. Three service areas are identified in this memo which have been supported on a volunteer basis for the past two years, but cannot be reliably provided by unqualified volunteers. It is the recommendation that these support services be identified by the OOC, and recognized by the Delegates as Outside Professional Services.

Computer Hardware and Networking The office currently uses 6 workstations and a dedicated in-house server system to organize and secure all CCFAA data. A qualified network administrator and computer technician are required to build, maintain and upgrade this system's hardware and software.

Applications Support The office currently uses the Microsoft Office Suite, Web Editing, Graphics, and Accounting software. Customization of the applications and the creation of templates for publications such as the Meeting Schedules, By The Way Newsletter, wallet cards, in-house pamphlets and flyers are supported by professional services. Also, the database has been created and administered by volunteer outside professional service, and new financial software is currently being integrated using outside professional service.

Website Support The office currently relies on outside support for the creation and maintenance of the aasacramento.org website, email services and softcopy of the printed schedule.

Summary It is possible but not likely that all these services can be provided through one source.

Experience of the past two years would suggest that 10 to 20 man-hours in any given week will continue to be required to maintain the past level of support. If the position is identified (or positions are identified) as volunteer service positions, it (they) might be filled by unqualified staff unless prerequisite qualifications are specified. If identified as "employed special workers" the quality of such service can be scrutinized by the Central Office Manager and/or the OOC, a much preferred manner of conducting such business.

CCFAA Delegate's Meeting Minutes –JUNE 18 2005 (cont'd)

D. Treasurer - Alice J: Alice gave information regarding the written report. The remainder of the report was turned over to Frank, Central Office Systems Administration, who read the CCFAA 2004-2005 Financial Accounting Report in detail. Frank also answered questions and expounded on the details regarding the usage of Quickbooks being utilized for the report, and submitted the following report:

CCFAA Revenue & Expense Statement (Office Sys Admin)

The purpose of this report is to delineate current issues with the Treasurer's report to the Delegates. Changes in office operations over the last two years have included new technology and new office operations, but these changes have not been well represented in the financial reports. Also the reports issued since January 2004 are not Cash Flow & Performance to Budget Reports. Investigation with the CPA has shown us that the terms "Revenue and Expense" are professional accounting terms which are defined differently than the layman would think. The most striking example of this is the treatment of funds disbursed for durable goods, that is, capital equipment.

Capital equipment cannot be written off as direct expense by virtue of current tax law, rather, it is identified as fixed asset and depreciated over time. These outlays therefore, do not show in the monthly expense reports, so the statement being presented to the delegates is not a cash flow report. Therefore the treasurer's report might be redesigned with the Delegate in mind.

Other aspects of the current report could be changed to reflect the changes in office operations. The most significant example of this has to do with In-house Publication Costs & Revenues. In January 2004 CCFAA stopped outsourcing Meeting Schedules because the cost of \$0.80 to \$1.00 exceeded the revenue of \$0.50 by a substantial margin. These items are now produced in-house at a much lower price, yet with significant costs which include the following:

Digital Copier Booklet Making machine lease cost	357.05
Copier Maintenance Contract	275.00 (includes 25,000 copies)
Copy Paper, Card Stock, Staples	130.00
Per copy fees (\$0.011/copy)	175.00 (additional 20,000 copies)

These costs should all be accrued to the cost of literature sold, but are in fact ascribed to Equipment Lease Cost, Other Schedules Cost, Equipment Maintenance Cost, and Office Supplies/Expense. While the revenues from Schedules and BTW sales go into the Literature Fund bank account, all the costs are paid from the general fund. This is why the Literature fund is always growing and transfers are periodically made to the general fund. Overall it gives the appearance that the office is incurring rising costs and not operating efficiently where in fact much money is being saved. In addition Central Office is now producing and selling wallet cards as well as printing tri-fold brochures at much lower cost than outsourcing would incur.

Neither the 2004 or 2005 budgets accurately reflect these line items nor are there budget lines for In-House Publications. It would be logical to show In-House Publication Costs and Revenues separately to monitor the financial performance of this venture.

E. ByLaws & Procedures – Leon N: The ByLaws and Procedures report for last month was inaccurate. Leon indicated that he would be doing more research to familiarize himself on the subject matter and report back to the group. The correction request for the changes in the ByLaws was not requested by the Auburn Fellowship. Changes are being reviewed and will be discussed at next meeting.

F. Teleservice Chairperson – Kasha R:

64 12-Step calls 659 Information calls 723 Total Calls

Open Shifts: Sunday 1pm – 6pm; Monday 12am – 6am; Wednesday 5pm – 9pm; Saturday 9pm - 12am

The last Teleservice Meeting was in May at Group III. Attendance was high and rotation is going rather well. Volunteers have concerns about a caller who has been harassing hotline works for sometime. His number has been blocked from the hotline. The next teleservice meeting is in August and will be announced at the next CCFAA meeting.

G. PI/CPC – Ivo V. Written report:

This is a report from your new committee for Public Information and Cooperation with the Professional Committee. In the short two months that we have been active some good steps are being made and we look forward to a lot more this year. The committee having worked at this project for over 4 years in District 27, we want to help the other 9 districts that make up our Central Office. We have learned quite a bit as to what works well and what is almost a waste of time and money. We have a few names that we will be calling, but in the meantime we would like to hear from a representative from each district. We have scheduled a WORKSHOP for August 13th, from 1 PM to 4 PM, That is a Saturday afternoon. We learned that attending a workshop in the beginning is the best way to save a lot of headaches and lost time. We urge each and every district to send at least one person. The workshop will be held in Citrus Heights at the city Civic Center in the Kroeger Hall building. It is the 2nd. Building north of Greenback Lane on Fountain Square Drive. If you're coming from Sacramento or points west, take I-80, take Greenback Lane exit east, about 2 miles on left. From Roseville or points east, take Riverside exit, left becomes Auburn Blvd. To Greenback, right to next signal. Civic Center on right. From highway 50 or points east, come down to Sunrise, exit right about 5 miles to Greenback, left to Civic Center. For more information, call Central Office, leave your phone number and best time to reach you and you will be contacted. We are looking forward to meeting you and hopefully helping you start or improve your committee. Yours in service, Ivo V.
