GROUP TICKETS

Cardiff City

BE THERE TOGETHER

This year **CARDIFF CITY** are happy to introduce a new way to buy tickets! Group ticketing enables all kinds of groups, whether they be community, charity or commercial the ability to receive savings on ticket prices. These tickets can be enjoyed by everyone, friends, family, colleagues and team mates alike.

We have a full range of options for you to choose from including our innovative flex ticket allowing you even more freedom to visit games. What's more, the process of booking tickets with us has never been easier. Simply follow our three step guide below and you'll be planning your trip in no time. and we look forward to welcoming you to the Cardiff City Stadium.

1

CHOOSE YOUR GAME

The first step in booking your group is deciding which game you would like to attend. We have added a handy fixture list to this pack to help you decide. There are 23 npower Championship fixtures to choose from at the Cardiff City Stadium this season with matches both on the weekends and mid-week. Due to this we are sure there will be an offering for you, be it a great event for children on a Saturday or a treat for colleagues or business associates on a weekday evening.

2

DECIDE ON YOUR GROUP SIZE

Once you have decided your date and what fixture you want to attend then you can start to work out your group size.

As a group leader you will be responsible for making payment, therefore you need to ensure that you collect the money from all individuals before you get your tickets, as no tickets will be issued before payment is made in full.

3

FILL OUT THE BOOKING FORM

Finally, all you need to do is record your contact details, your fixture, group size and ticket request onto the attached booking form and return it to the ticket office with full payment. You can then either have your tickets delivered or left for collection on the day.

All that is left, is for you to turn up to the game with your group and enjoy a fantastic matchday experience with us at the Cardiff City Stadium.

For more information on group tickets or to make a booking by phone please e-mail kellyreardonbrown@cardiffcityfc.co.uk or call 02920643627

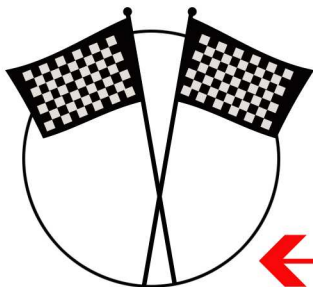

Please note that tickets are subject to availability and that whilst we can accommodate groups of all sizes, availability will be limited closer to the date of your chosen game so make sure you book early to avoid disappointment
