

Ohio FCCLA Outstanding Chapter Award

Purposes:

To plan and carry out a comprehensive program of work for FCCLA integrating core academics, content standards, co-curricular service learning and performance-based assessments to support Family and Consumer Sciences education and FCCLA.

Levels:

There will be three different levels of completion. All levels will have different completion requirements for each criteria category. The requirements for each level are described in the criteria section. The three levels will be known as Gold, Silver, and Bronze. In order to achieve a Gold level- all criteria must be achieved at Gold level. In order to achieve a Silver level- all criteria must be achieved at Gold or Silver levels. In order to achieve a Bronze level- all criteria must be achieved at either Gold, Silver or Bronze levels.

Rules:
