

Friends of the Ronald McDonald House

invite you to

LIGHT A LUMINARY...

BRIGHTEN YOUR HOME AND OURS!

Dear Neighbor:

The Ronald McDonald House is celebrating the 28th year of the Light a Luminary Project! Light a luminary for your loved ones, and give the perfect holiday gift to others.

Each luminary kit contains six white bags, six candles, and sand and will be delivered this year in a clear plastic bag.

Gable boxes are available at our retail locations:

Noteworthy, Ace Hardware (Cloverdale and North Elm in Greensboro),
Christie's Hallmark, Dewey's Bakery, Lowe's Foods, Village Tavern (Hanes Mall)

All proceeds benefit the Ronald McDonald House of Winston-Salem

Lighting takes place at dusk on December 24th when we place luminaries in front of our homes to honor families whose holidays are not as bright due to the illness of the ir child.

Happy Holidays from the Friends of the Ronald McDonald House and thank you to our sponsors!
