FUNDRAISING POLICY

The contribution through school fees from the parents/guardians covers only 20% of the true cost of education therefore all parents/guardians are expected to support the Fundraising programmes stated below.

What each family is contributing to **SCHOOL FEES** is based on what they can afford and after an interview with the bursar. Each family is required to pay the agreed upon fees.

A PARTNERSHIP PROGRAMME is in place which asks individuals, families, organizations and/or schools nationally and internationally for a long-term commitment by donating a small amount on a monthly basis in order to help cover the budget shortfall.

In exchange the learners of the school, acting as ambassadors for the whole school, enter into correspondence with each of the partners twice a year in July and December to say Thank You. The school chooses which learner will correspond with which partner.

Only learners who enter their role as ambassador with enthusiasm and dedication will be chosen.

The drawings, paintings and writings sent to a partner belong to the school and according to the Ownership Policy the school has the right to post/publish/reproduce images of artwork, writing, and photographs on their website or any other media for marketing and/or fundraising purposes. See Ownership Policy

In order to be chosen as an ambassador

- A learner has been attending the school for at least one year.
- The parents/guardians of the learner have honoured their financial agreement and/or informed the bursar of financial difficulties for a period of at least one year.

A parent/guardian who does not wish their child to be an ambassador for the school needs to indicate this when applying for the first time or when re-applying for the next school year.

Contributions received from any and all partners are NOT assigned to INDIVIDUAL AMBASSADORS but are used to pay THE COST OF EDUCATION of ALL CHILDREN.

Any correspondence from partners is read to all the learners in the ambassador's class.

Any physical gifts from partners are used for the benefit of all learners in the ambassador's class. Partners are asked NOT to send gifts to individuals.

Local and international **FUNDRAISING EVENTS** are held from time to time. Parents/guardians are requested to assist with fundraising events.

I acknowledge that I read the above and that I agree that my child represents the school as an ambassador.
