

Form G
2013-2014 Proof of Emancipated Minor OR
Legal Guardianship Status

Your status for financial aid as an Independent student is based solely upon your response to questions 53-54 on the FAFSA regarding your status as an Emancipated Minor or being in a Legal Guardianship. The Department of Education requires that you submit legal documentation verifying that situation.

To verify your status as an Emancipated Minor or being in a Legal Guardianship, you must provide the Crowder College Financial Aid Office with a copy of the court's decision in regards to the Emancipated Minor or Legal Guardianship status. The court must be located in your state of legal residence at the time the court's decision was issued.
