2013 A YEAR OF BEGINNINGS

WORKSHOPS ARE ON THE HORIZON

There are only **7 weeks** to go before the **8th Annual NLBNOA Jail and Prison Ministry Workshop** at the **Prattville Church of Christ in Prattville, Alabama**. **Deadline** for early registration is **February 14, 2014**-only 6 weeks away. This Workshop is coming together nicely with an array of gifted speakers.

This workshop is important for new jail and prison ministers who have not had the opportunity of attending an NLB workshop in times past. **Dr. HM Motsinger** and **Buck Griffith** will be providing training in the use of NEW LIFE BEHAVIOR materials. Certificates will be presented at the close of each training session. You will have an opportunity to attend a training session on Friday afternoon and on Saturday morning in case you are unable to attend classes on both days. (For more details go to pages 5-8).

Prattville is conveniently located off of Alabama Interstate 65 between Montgomery and Birmingham Alabama. There is a vast variety of hotels and restaurants within minutes of the Workshop.

The **41st Annual/National Jail/Prison Ministry Workshop** is only **22 weeks** away! This Workshop will be hosted by the **Gray Road Church of Christ in Cincinnati, Ohio**. The Workshop itself will be held at the Crowne Plaza Hotel in Cincinnati, Ohio. **Deadline** for Special Group hotel rates is **May 12, 2014**-only 19 weeks away. (For more details go to page 10).

YOU ARE CORDIALLY INVITED

We are excited to be hosting the NLBNOA 8th Annual Jail/Prison Ministry Workshop. We would like to extend to you a special invitation to join us for this event. It will be held February 21-22, 2014 at our church building. We have a great line-up of speakers: Buck Griffith, Dr. H. M. Motsinger, Matthew Conley, Kyle Massengale, Sam Drake, Joe Walden, Stan Dean, and others. The various speakers will be presenting ways to improve and grow our jail and prison ministries.

(L to R) Ronnie Crocker, Buck Griffith, H M Motsinger, Matthew Conley, Sam Drake, Joe Walden and Stan Dean

Ronnie Crocker will be our Key Note Speaker for Friday Night's Banquet. Ronnie has over 25 years experience helping those who are in the throws of addiction find a new life in Christ Jesus. Ronnie and his wife Jeanie along with Charles and Martha Baggett operate Project Rescue. Project Rescue is a Recovery Center and transitional home for men. Ronnie is a much sought after addictions/recovery speaker.

Craig Hill will also be one of our speakers. Craig helped spearhead our Jail and Prison Ministry program here at Prattville, but has relocated to Opelika, Alabama. We know you will be blessed by hearing him and feeding on his passion for the ministry.

You will walk away inspired and energized for winning lost souls. Please mark your calendars and plan to attend. Bring someone with you who is interested in being a Prison Minister but has not yet gotten involved. We look forward to seeing you at the Workshop!

Craig Hill

REFLECTIONS OF RAY COX

In **January** 2013, we were all shown God's providence in Ray Cox living past several deadlines that doctors had given Ray Cox by which to die. This writer would call them deadlines instead of months to live. Deadlines can always be extended into the future to give more time for a task that is not yet completed.

Ray Cox was a man that we were not ready to give up-a task on this earth that would never be completed to our satisfaction-because he is still needed and still missed in ways that each individual who was touched by him can express.

Some were called to ministry by him. Others were mentored by him. Others were taught by him both through correspondence, and in classroom situations-whether workshop, planning session or business meeting. Ray envisioned a world where all men are created equal and everyone gets a second and even a third chance. Ray wanted those in jail and in prison to know that they were valuable to God, and for God.

Ray created NLBNOA by being its life-blood and sustainer. Since his passing in May, we have all had to find new ways to sustain ourselves and to keep the WORK alive. Reading and re-reading archived issues of his newsletter THE NETWORK will keep us focused. Ray has left us with a wealth of information on which to sustain ourselves and to go into the next chapters of our lives as prison ministers. *We encourage you to download archived articles from the NLBNOA website www.alabamalnbnetwork.org and place them in binders for you and for your congregation.*

The last articles Ray penned can be found in the **February** and **April** 2013 issues. Ray co-wrote an article with Martel Pace outlining the beginnings of the Work at the University congregation in Montgomery. Ray also co-wrote an article with Marshall Underwood about the Work in the Mobile area. Ray also wrote the article about the beginnings here at Rainbow.

Ray's final passion was shown in his controversial vision of millions of illegal immigrants being given legal status. He wrote in **February** newsletter, that legalization would bring about the opportunity of using translated NLB, World Bible School, and the Rainbow Correspondence System curriculums to teach the English language and to bring souls to the Lord. The Rainbow Iglesia de Cristo was one of Ray's visions that he saw come to life. We have had Hispanic Worship Services here at Rainbow since January of this year. Ray was in attendance when Rainbow had its first bilingual Worship Service back on **March**. There were 400 in attendance!
