End of Year Evaluations

As the end of the school year approaches, all FFT members should be meeting with their lead evaluators to discuss their end of year evaluations and goals. When you receive any written evaluations, please read through them carefully before signing off. Signing an evaluation only means that it was received; it does not mean you are necessarily in agreement with what is stated.

If you have any questions or concerns about what was written, please share with a building representative for feedback on whether further action needs to be taken.
