NO STUDENT WILL BE ALLOWED TO RIDE A DIFFERENT BUS WITHOUT WRITTEN PARENTAL PERMISSION. If a bus is filled to capacity that day, no change will take place. Also, students must only get off at their assigned bus stop each day.

Late Bus: We are fortunate to have a late bus on Tuesday – Thursday each week that picks students up at school at 3:30 PM (one bus for Narragansett-South and one for Narragansett – North).

Respectful and cooperative behavior on the late bus is expected. You will not be allowed to ride the late bus if you are responsible for any disruptions or interfere with the safety of others on the bus.

Time of Arrival: Whether you ride a bus, walk, ride a bike, or are transported to school by a parent, **YOU SHOULD NOT ARRIVE AT SCHOOL BEFORE 8:10 AM.** Students must wait outside upon arrival. At 8:10, all students should enter through the main entrance and report directly to their team/class area.

Bike Riders: If you ride your bike to school, you may park it in the bike rack near the Cafetorium on the side of the building. You should have a bike lock to secure it to the rack. When you enter school grounds, you should ride your bike directly to the rack, secure it, and then proceed to the proper area. There should be no loitering at the bike rack.

MORNING

1. Go to your locker. Jackets and hats are to be left in your locker.

Late Arrival at School: If you are late for school you must report to the main office for a tardy slip. When you arrive at your assigned area, you should present the tardy slip to your teacher. When you are tardy, you must have a note signed by a parent or be signed in by a parent. When the tardy is unexcused, you will be given an excuse form to be filled out by a parent within twenty-four hours. If it is not returned, the tardy will be referred to the Assistant Principal and may result in one night of office detention. If you are absent, excused or unexcused, more than 5 times per quarter, you and your parents/guardian will receive a letter and may require a conference with Mr. Mangili. Also, if you are absent or late, there can be no participation in after school or evening activities that day (inc. sports, clubs, etc.).

RECYCLING

In order to be as responsible as possible regarding waste management, appropriate containers are set up for students and adults use to recycle paper, cans, etc.

DISMISSAL

The last class of the day will end at approximately 2:20 PM. Dismissal will be done from the office by first and second bus run. PLEASE DO NOT LEAVE YOUR CLASSROOM UNTIL ALL END-OF-THE-DAY ANNOUNCEMENTS ARE COMPLETED. You will be advised as to which bus run your bus is assigned. From that point you will immediately board the busses. Students waiting for a ride should do so in the office. If your bus has not arrived, you should wait with the other students riding your bus in an orderly manner. On days when weather is poor and busses are late, we will have indoor dismissal. A dismissal procedure will be announced on these days and you will be told where to report. Any student not riding a bus for any reason (after school, walking, bike, car, etc.) must leave with the second dismissal and should leave immediately.

MAKE-UP TIME/TEACHER DETENTION

Any of your teachers may keep you after school for make-up work or make-up time in case you have missed some work or some class time or for behavioral reasons, providing they have given **24 hour notice or contacted your parents.** If you have been assigned teacher detention, you are responsible to report without delay to that teacher directly at second dismissal. Failure to report for teacher detention will result in the assignment of two one-hour office detentions and a Discipline Card will be included in your file. A conference with Mr. Mangili will be held.

MANNER OF DRESS AND GROOMING

Students are expected to take an increased responsibility for personal cleanliness and manner of dress. However, manner of dress may not be distracting or disruptive to the educational process. No halter tops, bare midriffs, strapless tops, or tank tops will be permitted. Also, pants worn low, pajama bottoms, short skirts and skorts or other revealing distracting styles of clothing are not permitted.

T-shirts with drug, alcohol, inappropriate band images or coed-naked slogans are not to be worn in school or in Physical Education classes. It is expected that the parents of our Pier students will cooperate in this effort of having students dressed appropriately for school.

Hats or outside jackets are not to be worn in the building. Backpacks carried to school are to be left in lockers. No backpacks are allowed at evening activities, including school dances. Chains or other loose hanging jewelry, which may be a hazard, are not allowed. Walkmans, video games, pagers, or any other electronic devices as well as any type of trading cards (sports, magic, etc.) are not allowed in school. Teachers may take any of these items from students and they may be released only to parents.

CLASS and GENERAL BEHAVIOR

It is expected that you will always be on your best behavior so that teachers can teach and students can learn. At Pier School we encourage students to be respectful of their teachers, staff and each other. A responsible attitude and good work and study habits will result in higher achievement. We want Pier students to feel successful and have a sense of accomplishment. This all can occur in your classrooms, provided you contribute in a positive manner.

Readiness for class is an important factor in your success. You are expected to be prepared with your books, writing materials, and homework assignments for each class. Class participation is important, with each student contributing to a more stimulating environment. Your teachers will support you, with everyone working together in a cooperative fashion.

RULES OF GENERAL CONDUCT

Proper behavior is expected at all times.

1. Speak politely and respectfully to others.
2. Proceed in the corridors quietly and quickly.
3. Do not disturb the work of others.
4. Wait your turn (whenever appropriate).
5. Do not chew gum.
6. Do not throw snow.
7. Clean the area around you each day in class and in the cafe.
8. Keep your materials in good condition.
9. Be on time every day
10. Be responsible for your actions.
11. Be a good listener.
12. Tell the truth.
13. Respect the rights and safety of others. This includes not touching others or their property without their permission
14. No smoking or carrying of cigarettes or other tobacco products are allowed on school property.
15. No alcohol or other drugs are allowed on school property.

DISCIPLINARY PROCEDURES

We use an “Office Discipline Card” system for student discipline. The “Office Discipline Card” system was designed to ensure consistency in the overall discipline of the Pier School. When a student misbehaves (frequently talking in class, fooling around, gum chewing, being disruptive), the behavior is reported using a Discipline Card and filed in the office. If three cards have been filed, the Assistant Principal, Mr. Mangili, holds a conference with the student. At this time, a parent will be contacted. If deemed necessary, a conference may be arranged with the parent, student, and the teachers/staff members involved to develop a plan for correcting the misbehaviors.

When a student commits a serious offense such as swearing, fighting, insubordination (any intentional failure to follow the directions of a staff member), etc., the student will be sent directly to the office. A Discipline Card will be filed recording the appropriate consequences for the offense and the circumstances involved. Actions taken will range from detention to school suspension, in addition to other possible consequences. Parents will be notified and a conference may be scheduled. In the case of school suspension, a reinstatement conference is necessary with a parent in order for a student to be readmitted to school on the day she/he is scheduled to return.

Also, please note that skipping teacher detention is recorded on a Discipline Card as one of the three offenses. This type of behavior will result in the student being sent to the office to meet with the Assistant Principal, Mr. Mangili. **FOR EACH TEACHER DETENTION MISSED, TWO OFFICE DETENTIONS WILL BE ASSIGNED.** Lastly, appropriate behavior is not only expected in class, but also in the cafeteria, hallways, and recess. These disciplinary procedures apply to all areas of our school.
Please Note: If school is cancelled for inclement weather that day may not constitute a suspension day and any office detentions would be rescheduled.

HARASSMENT, INTIMIDATION, AND BULLYING

The Narragansett Pier School recognizes that a safe and civil environment in school is necessary for students to learn and achieve; that harassment, intimidation and bullying disrupts a student's ability to learn and the school's ability to educate children and provide a safe environment; all students and staff members must treat others with civility and respect.

The law defines "harassment, intimidation and bullying" as any act, whether written, verbal, or physical, that is motivated or perceived by characteristic's, such as race, color, religion, ancestry, national origin, gender, gender identity, sexual orientation, mental or physical disability or other distinguishing characteristic's, that occurs on school property, at a school-sponsored function, or on a school bus.

Expectations Regarding Student Behavior

All students have the following rights:

- to be treated with respect and courtesy
- to feel safe when traveling about school and on school buses
- to report bullying to a teacher or another school employee without fear of reprisal, retaliation, or false accusation; and
- to expect the school to investigate such reports and to intervene when necessary to prevent bullying

All students have the following responsibilities:

- to treat others with respect and courtesy
- to refrain from, and to refuse to participate in, name-calling or put downs based on another student's appearance or ability, and other acts of bullying
- to report bullying, as soon as it is observed, to a teacher or administrator.

Consequences of Violation of Policy

Students who are found to have engaged in bullying, or to have retaliated against another for reporting such conduct will be subject to discipline in accordance with school rules. A Student who is found to have made a knowingly false report of bullying will likewise be subject to discipline.

In lieu of discipline, such students may be required to forgo school privileges, including participation in athletics and school sponsored functions; to participate in counseling and training.

HALLWAY PASSES

Students are required to have a hallway pass to travel from one location to another. The pass must be signed by a faculty or staff member and given to the receiving teacher.

GUIDANCE

The Guidance Counselors' role at the Pier School is to assist students with their development both academically and socially. The counselors will always be on hand to aid teachers, parents and students in seeking solutions to problems involving middle school age students. Students, parents and teachers are encouraged to seek the counselor's assistance in the problems encountered by the student population at the Pier School.

Counselors are available to:

- Orient new students to the Pier School.
- Interpret test data for students and parents.
- Assist parents in understanding their child's learning cycle.
- Assist parents and students in dealing with neighborhood, bus, or school problems.
- Assist parents with child-rearing problems.

This handbook, regarding rules, regulations, and disciplinary procedures, is to be considered a reference only and not inclusive of any other items or incidents deemed inappropriate or unsafe within a school environment.

USE OF SCHOOL PHONE

Classroom and cafeteria phones are for **emergency use only** with the permission of the classroom teacher or cafeteria supervisor. **If there is a home emergency, parents may request to speak to the Principal or Assistant Principal.**

Any student found tampering with the phone, i.e. calling 911 as a prank, will be suspended. Also, no cell phones are allowed to be turned on during school hours.

SPORTS

NPMS offers an Interscholastic Sports Program for Grades 6, 7 and 8 and an Intramural Program for Grades 5-8. The following is a list of Interscholastic Sports that NPMS has declared for the 2006-2007 school year; boys' and girls' soccer, basketball, cross country, track and field, cheerleading, boys' baseball, and girls' softball. Announcements for tryouts will be made prior to each season.

The RI Interscholastic Sports League requires that students be in good academic standing. They also require student athletes to complete a participation form and have a current physical prior to participation. Also, Mrs. Ahern and Mr. Mangili will be in regular contact with coaches to ensure that students are in good behavioral standing as well. Athletes accept the responsibility of being leaders and take pride in representing NPMS in a positive manner.

ATHLETIC PARTICIPATION PROCEDURES

6TH 7TH & 8TH GRADE ATHLETICS

(Effective – June 25th, 2006)

The staff of the Narragansett Pier Middle School believes that extra-curricular activity should be a vital component of a student's experience at a middle school community. In order to provide athletic opportunities for our students, the Pier School offers both an intramural program and an interscholastic sports program. The staff also believes that participation on athletic teams is not a right, but a special privilege and that our student-athletes must realize the extra responsibility that goes with being a representative of the Pier School. Therefore, in order to ensure that the integrity of the student's academic experience at the Pier School is maintained, the following guidelines must be adhered to in order to participate in the interscholastic sports program:

STUDENTS ATHLETE ACADEMIC CODE

1. All students may participate in tryouts. Any student receiving a failing grade (F) in any subject on their quarterly report card will be considered ineligible.
2. Ineligible students may not participate in any games, but may begin practice 15 school days after a satisfactory progress report of Grade (C) or better. During that period, students are on probation and will attend a mandatory homework club 3 days a week. After 15 school days any unsatisfactory grades will result in ineligible status until the next quarterly report card.
3. Any athlete who receives an incomplete (I) in any class on his/her report card will be prohibited from attending any games or practices until the situation is rectified with a passing grade.
4. A student who receives any grade below (C) on a progress report or report card will be placed on academic probation.
 - a) If a student athlete is placed on academic probation, the Athletic coordinator will monitor the student with weekly progress that will extend until the next quarterly progress report or report card showing improvement is issued.
 - b) If any weekly reports show a lack of progress made, the student's participation in practices or games will be suspended until the Athletic Coordinator deems them eligible to participate.
 - c) The student athlete, coach, and Athletic Coordinator will meet to discuss the student's reinstatement to the team. Parents will be notified in writing if the student athletes are ineligible.
 - d) Any student who fails to submit a progress report to the Athletic Coordinator during the academic probation period will be suspended from games or practice until the progress report is submitted.
5. Any student entering grades 6, 7, or 8 in the Fall of the 2006-2007 School Year who received a grade of (D) or (F) in any class on the final report card of the 2005-2006 school year, may participate in Fall Sports, but will start the school year Academic Probation. Refer to #4 above.

STUDENT ATHLETE CODE OF CONDUCT

1. School suspension (first of school year) – the student will be suspended from all athletic practices and contests for two weeks.
2. School suspension (second of school year) – the student will be suspended from all athletic practices and contests until the end of the current school year.
3. Any student who continually disrupts classes and is consistently removed from class will be suspended from play for one week. Repeated disruptions will result in further suspensions and possible removal from the team.
4. Any student found to be possessing, distributing or using tobacco, alcohol or a controlled substance while on school premise, on school transportation, or at any school sponsored activity will be suspended from their team for the remainder of that season.

ASSEMBLIES

We believe that you can learn in many different ways. One way to reinforce some of the things that you are taught in regular classes is through assemblies. We regularly use our cafetorium to have special presentations of visiting guest speakers and presenters. Please keep in mind that when you are a member of an audience, you are required to be on your best behavior and to show proper appreciation of the performance or presentation.

FIELD TRIPS

We acknowledge that field trips are a valuable extension of any school program. However, a field trip is a privilege and we reserve the right to exclude any child whose participation might cause a disproportionate amount of supervision or might interfere with the enjoyment or learning of other students. In the event of a field trip, all students are required to have written permission on file.

OVERNIGHT FIELD TRIPS

Policy: A student's ability to participate in a Pier School overnight field trip will be contingent on their compliance with all Pier School policies. Any student who receives a suspension from school prior to the overnight trip may not be allowed to participate. Money already committed to the trip may be considered non-refundable. The Pier School Administration will make the final trip decision regarding all individuals involved.

The above statement will be included on all overnight trip forms to be signed by both the parent and student.

Overnight field trips currently involved:

- Ski Trips, New England
- Quebec, Canada
- New York
- Any other that may be newly scheduled.

DANCES

Dances will be scheduled throughout the school year for Grade seven and eight students.

In order to attend a dance, a student may not receive any disciplinary referrals to the office during the week of the dance. Students who do attend must remain for the entire duration of the dance. They may not arrive late or leave early. A student who is absent or suspended from school on the day of a dance may not attend. Typically, dances will be from 7PM – 9PM. Parents are asked to pick up students promptly at 9:00 P.M. Students are not allowed to walk home. Written parental permission is required for a student to ride home with another. Dances are for Pier Middle School students in Grades 7 and 8 only.

STUDENT ACHIEVEMENT

REPORT CARDS

Reports of students' progress are issued quarterly (in November, January, April, and June). The format of the report card may vary from each grade and subject. Also, selected comments will be listed dealing with student behaviors and class participation. All subjects will be listed on the report card. Report cards are hand-delivered by students each quarter. Progress reports are hand-delivered by Grade 5-6 students and mailed to parents of Grade 7-8 students. **PARENTS ARE ASKED TO SIGN REPORT CARDS AND PROGRESS REPORTS AND RETURN THEM TO THE HOMEROOM TEACHER.**

PROGRESS REPORTS

At the mid-point of each term, students will receive an interim report for every subject. The purpose of these reports is to inform you of your child's progress between quarterly report cards. Parents are encouraged to contact teachers if you have questions or concerns.

We are then able to include the data in students' files, enabling us to consider additional information when reviewing their progress and educational plans. The statewide testing dates for fall 2005 are as follows:

| | |
|---------------------------|--------------------------------|
| Grades 5 thru 8 – Reading | - October 3, 4, 5, 11, 12 & 13 |
| Grades 5 thru 8 - Math | - October 11, 12, & 17 |
| Grades 5 and 8 - Writing | - October 18 and 19 |

NAEP – randomly selected 8th Graders for testing on February 15th.

PARENT SECTION

STUDENT ABSENCE/

If your child is unable to attend school due to illness or emergency, you should call the Pier School (792-9430) no later than 9:00 AM. Homework may be requested if a student is out **2 days or more**. If a student is absent or tardy more than 5 days per quarter, a letter will be sent to parents.

The individual teacher will consider requests for homework for students when a non-scheduled vacation is taken.

TRUANCY COURT PROGRAM

The Narragansett School System adopted the statewide Truancy Program in May, 2003. The purpose of this program is to reduce the truancy rate in our schools while emphasizing the importance of our students attending school regularly and on time. The State of Rhode Island defines truancy as recurring and repeated truancy and tardiness. Any student whose attendance record meets Rhode Island's truancy definition may be referred to the truancy program. Students **must** be in homeroom by 8:20 a.m. each morning or they are considered tardy.

PUBLIC RELATIONS

The Narragansett Pier School is committed to informing parents and the general public about many exciting activities happening in our school. Therefore, local newspapers will often be invited to our school to cover newsworthy events. When appropriate, pictures will be taken for publication. Parents/Guardians who do not want their child's picture taken for public relations purposes such as newspaper articles or district wide publications should notify the administration in writing.

TELEPHONE MESSAGES

We will be happy to forward parent messages to students during lunch/recess time. **PLEASE UNDERSTAND IT IS NOT POSSIBLE TO INTERRUPT CLASSES TO SPEAK DIRECTLY TO YOUR CHILD UNLESS THERE IS AN EMERGENCY.** Please be assured that all information you wish your son/daughter to have will be given before the day ends.

For security reasons, you may not dismiss your child from school by phone. If your child is considered a walker to and from school, the school must have this information in writing. No student who is normally a bus rider will be allowed to walk unless there is written communication from a parent/guardian.

REQUEST TO CHANGE BUSES

Requests to change busses to visit with schoolmates or for childcare purposes must be made in advance by parents or guardians in writing and approved by the Principal or Assistant Principal. No student will be allowed to ride a different bus without written parental permission. If the bus is filled to capacity, the student will have to ride his/her regular bus home. Also, students must only get off at their assigned bus stop each day.

Regarding the late bus - two busses, one for Narragansett North and one for Narragansett South will pick up students at 3:30 P.M. Any behavioral issues will result in suspension or permanent dismissal from the late bus.

TRANSFERS

In the event that you plan to move to another community, please notify us at least one day (preferably earlier) prior to your child's last day of attendance so that we can complete all transfer records. This will make enrollment much easier in your child's new school. Please be aware that all textbooks must be returned to the Pier School prior to the release of records.

EMERGENCY INFORMATION

So that we can contact you in case of any emergency, be sure that we are provided with current phone numbers for our records where you or your designee can be reached any time that school is in session. Please call us during the year if any of the information changes, especially a phone number.

Three AED'S are housed in easily accessible and well marked cabinets in the hallway outside the clinic, across from room 305, and in the gym/auditorium. Opening the cabinet will immediately sound an audible alarm and activate police, fire and rescue to the school. Tampering with the cabinets or AED's for any other reason then intended is a serious offense. The Athletic Director has an additional three AED's for sports and athletic events. Anyone interested in becoming certified in First Aid and CPR/AED, contact the American Red Cross, The American Heart Association, or the school nurse about classes.

EQUAL OPPORTUNITY STATEMENT

We at Narragansett Pier Middle School take the issue of respect and personal dignity for all students very seriously. If any incidents of harassment or prejudice should arise during the year, they will be dealt with immediately. We strongly encourage students to report any problems to any administrator, teacher, or staff member.

LOST OR DAMAGED PROPERTY

The school cannot accept responsibility for stolen money or other articles. We feel that pupils should become increasingly responsible for their own property as well as that of the school. We strongly advise that pupils not bring excessive amounts of money or valuables to school. It would be ideal if articles were labeled. We often have unclaimed clothing and other articles in our lost and found section in the main office.
