**Research Project Outline Proposal Form**

Name:

Title of Proposal: (the essential question to be researched)

**Details of Proposal**

Brief list of resources:

A bibliography:

Project Proposal: (how will you meet the assessment objectives?)

AO 1: Design, plan, manage and conduct own research project using techniques and methods appropriate to the subject discipline.

AO 2: Select appropriate information from a range of sources.

AO 3: Assess and synthesize information, concepts, arguments and evidence.

AO 4: Evaluate alternative perspectives and interpretations. Make independent reasoned judgments.

AO 5: Communicate clearly in presenting own research, interpretations and judgments using appropriate formats and conventions
