These alignment marks are unique and make it easy to place labels in the correct position time after time. Label Alignment Folders are available in both legal and letter sizes. Choose from an economical 11point manila paper weight to a stronger sturdier 14 point manila paper. Fasteners may be installed for your installation of dividers or paperwork.

Jeter Match Letter Size Color Tab Folders

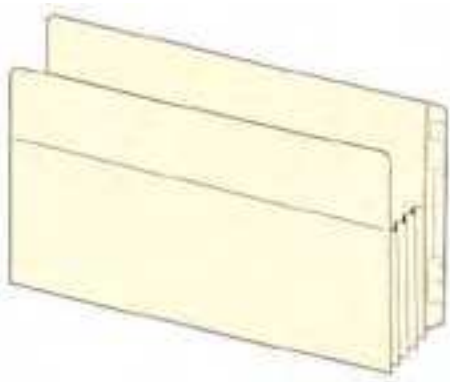

Color Tab Label Alignment Folders are used to color code different classes, groups or years. Available in blue, green, red and yellow end tabs. Stronger than any color folders, they are reinforced with a 1-1/2" of 14 point manila paper folded and glued for additional strength. Color strips are 1-3/4" wide.
