

# NABIAC PUBLIC SCHOOL

## Parents and Citizens Association

### ‘Just One Thing’

One of the things that makes Nabiac Public School such a great place is our active, friendly, school community. We want to make sure every family (especially new ones) have the opportunity to get involved. Volunteering at school is a great way to meet new people, make friends and your kids get a kick out of seeing mum/dad/grandparents or any other special person at school.

Below is a list of ‘things’ that we would appreciate your assistance with. **Please tick one item** (or more if you wish) and place your contact details on the bottom of the page. Then return your letter to the school office as soon as possible so that we can collate the responses. When the time comes, someone from our P&C will contact you regarding participation.

Thank you in anticipation of your valuable help.

Yours sincerely,  
Cassandra Thomas  
President P&C
