

2221 Smithtown Ave. Ronkonkoma, NY 11779

This certificate acknowledges that

MARK E. WELTER

meets all the minimum requirements and is certified to the Level of achievement listed in accordance with the published requirements of industry specifications ASNT SNT-TC-1A (2011), ASNT CP-189 (2011), ATA-105 (2011.1), MIL-STD-410E and NAS-410 (2014) in the Nondestructive Testing disciplines of:

Liquid Penetrant
LEVEL II
Expires – December 21, 2019

Ultrasonic
LEVEL II
Expires – February 12, 2020

Radiography
LEVEL II
Expires – March 20, 2020

Magnetic Particle
LEVEL II
Expires – February 12, 2020

Eddy Current
LEVEL II
Expires – November 20, 2019

He may assume the duties and responsibilities of the Level specified as defined in STS specification QP-01E.

Approved by: _____

Date: 3-20-15

STS/ASNT NDT LEVEL III 51342

This is to certify that

JASON M. WHITE

meets all the minimum qualifications and is certified to the certification level listed in accordance with the published requirements of industry specifications ASNT SNT-TC-1A (2011), ASNT CP-189 (2006), NAS-410 (2008), ATA-105 (2005.1), MIL-STD-410E, & STS QP-01E in the Nondestructive Testing disciplines of:

Liquid Penetrant
Level II
Expires – August 13, 2017

Ultrasonic
Level II
Expires – October 20, 2016

Radiography
Level II
Expires – April 12, 2017

Magnetic Particle
Level II
Expires – Sept 18, 2017

Eddy Current
Level II
Expires October 03, 2016

He may perform nondestructive testing in the civil and aerospace industry sectors. The certifications are valid for the time period stated.

Approved by: Edward P. White
STS/ASNT NDT LEVEL III 51342

Date: 9-18-12

STRUCTURAL
Testing Systems, Inc.

This is to certify that

SEAN T. EMBLER

meets all the minimum qualifications and is certified to the certification level listed in accordance with the published requirements of industry specifications ASNT SNT-TC-1A (2011), ASNT CP-189 (2011), NAS-410 (2008), ATA-105 (2011.1), MIL-STD-410E, & STS QP-01E in the Nondestructive Testing disciplines of:

Liquid Penetrant

Level II

Expires – Sept 19, 2017

Ultrasonic

Level II

Expires – March 10, 2017

Radiography

Level II

Expires – April 12, 2017

Magnetic Particle

Level II

Expires – Sept 19, 2017

Eddy Current

Level II

Expires – March 07, 2017

He may perform nondestructive testing in the aerospace industry sector. The certifications are valid for the time period stated.

STS/ASNT NDT LEVEL III 51342

Date: 9-19-12

This is to certify that

RICHARD M. BROWNE

meets all the minimum qualifications and is certified to the certification level listed in accordance with the published requirements of industry specifications ASNT SNT-TC-1A (2011), ASNT CP-189 (2011), NAS-410 (2008), ATA-105 (2011.1), MIL-STD-410E & STS QP-01E in the Nondestructive Testing disciplines of:

Liquid Penetrant
Level II
Expires – August 9, 2017

Ultrasonic
Level II
Expires – March 7, 2019

Radiography
Level II
Expires – April 12, 2017

Magnetic Particle
Level II
Expires – Sept. 18, 2017

Eddy Current
Level II
Expires – June 28, 2017

He may perform nondestructive testing in the aerospace industry sector. The certifications are valid for the time period stated.
