

Warranty Registration

Thank you for your purchase and welcome to the Holder family! You have made a wise decision in purchasing one of the most advanced, multi-use tractors available. We take great pride in our long history of providing quality equipment and service. We hope that you will share in this pride and enjoy the Holder advantage for many years.

Should you require information on other accessories to increase capabilities of your new tractors, please contact your dealer or browse our website. Please complete and submit the form below to activate your warranty.
