Fifth Annual Drew Klug Memorial Golf Outing

*Some people only dream of angels...
we held one in our hands.*

First Candle
• Helping Babies Survive & Thrive •

On January 19, 2007 our family experienced a devastating loss when our son Drew Stanley suddenly passed away. When we were told the cause of death was SIDS (Sudden Infant Death Syndrome) we were left with so many questions, but unfortunately no answers. It is not possible to detect a child who may pass on from SIDS. However, with ongoing research there is hope for a way to detect SIDS in newborns and even develop a cure. All proceeds from the golf outing go to First Candle who is the leading researcher for SIDS.

Date: August 25, 2012
