**West New York Board of Education – Request for Quotation
For the Period July 1, 2016 – June 30, 2017**

SCHOOL DISTRICT FIXED ASSET APPRAISAL SERVICES

WEST NEW YORK BOARD OF EDUCATION FACTS AND FIGURES

The Board consists of nine members and the District is overseen on a daily basis by the Superintendent of Schools. The District is comprised of nine main school buildings, serving approximately 7,800 students. The District has multiple special education programs and an extensive extra-curricular and interscholastic athletic program.

Introduction and Purpose

The West New York Board of Education is soliciting quotations from interested persons and/or firms for the provision of fixed asset appraisal services to the Board of Education. The successful respondents shall have experience in providing fixed asset appraisal services to schools and education communities.

The successful respondent will provide the West New York Board of Education with fixed asset appraisal services relating, but not necessarily limited to, summary appraisal report for insurance purposes, summary appraisal report for accounting purposes, and reports delivered via PDF/Excel.

Proposed Scope of Work

The successful respondent will appraise property including fixed assets classified as land improvements, buildings, and machinery and equipment. This appraisal includes all district vehicles and all technology equipment. A site inspection and physical inventory will be completed of all district facilities. All valuations will be made in accordance with Generally Accepted Accounting Principles (GAAP).
